Secrets Ramon Tarruella, 2019-06-20 Instagram is one of the most important platforms when it comes to branding and reaching a wide audience. It has over 1 billion active users and is considered a trendy and youthful platform for by the majority of marketers. Instagram's power lies in the fact that it is an image-based platform. This gives it a great return on investment and means that you don't need to write reams to be successful. It also makes it perfect for getting an emotional response from your audience. And ultimately emotions are what sell products. The problem is that a lot of businesses just don't understand Instagram. They are still somehow too set in the old way of doing things and don't know how to leverage the unique advantages of Instagram to their advantage. With this book you will learn how to reach engaged audience and grow your business. Here's what you'll discover:

- How to sell the value proposition of your business that means understanding how an image can tell a thousand words and make people mad for your products and services
- How to create an Instagram strategy for a non-visual business product or service
- How to make an Instagram account grow 10x as rapidly using simple and easy tricks
- How to convert your loyal followers and most popular posts into sales
- How to grow a successful Instagram account without posting a single photo
- How to use Instagram advertising
- How to use advanced features
- Set up a business account
- Get verified
- Use shopping on Instagram
- And for those that want it how to create a personal brand and become an Instagram celebrity
