Don't Call It Quits: Turn the Job You Have into the Job You Love Shana Lebowitz Gaynor, 2022-08-23. There are other often better ways to find fulfillment at work besides leaving your job. It can be tempting to fire off a letter of resignation or at least fantasize about doing so when you're unsatisfied or unhappy at work. But leaving a stable job can be impractical. And often there are other less dramatic ways to get what you want out of your career. In *Don't Call It Quits* Shana Lebowitz Gaynor draws on her experience writing about career development to show how you can more deeply connect to your work, reclaim agency in your career and find the freedom and happiness you're seeking without upending your life with a job change. As Shana explains you aren't caught between two terrible options: stick around and suck it up or leave and hope for something better. You probably have many more choices.
