Clients and Leads for Your Business Are you worried you aren't advancing fast enough in your career Concerned that you might be leaving money on the table Are you stuck in a boring unrewarding job Or would you prefer Job Opportunities and Business Leads that come to YOU offering to Employ YOU or pay YOU money by learning to write your own LinkedIn profile that attracts the correct people directly to your inbox I have been where you are today I worked in unsatisfying jobs for employers that didn't care and wouldn't reward good and competent service I remained in positions for years sending out thousands of resumes hoping that someone would recognize my value What pulled me through was lots of study specialized training and practice More importantly I believed in myself and the value I could provide to employers and customers for my products and services At first I was happy to find a new client now and then to make some extra money Later I discovered how to promote myself effectively and those customers started coming to me Instead of wasting time day after day fruitlessly searching they sent me emails asking demanding my services products and employment Here is what you'll learn inside

Focus on LinkedIn Understand the unique importance of LinkedIn You have found one of the best ways to get employers and clients to come to you Best of all they'll be pre-qualified leads for the most part which means they are ready to hire or buy your products and services Increase your qualified leads by targeting your LinkedIn to the right audience Decrease the time you spend fruitlessly searching for anyone who will buy your products or services or offer you a position in their company Explode the size of your professional network by spending as little as a few hours optimizing your professional brand on LinkedIn Define your Personal Brand and deliver an effective message which effectively grows a Professional Network which looks to you for answers Increase your business or job offers several times the current level Increase your earnings while reducing the time you spend with unqualified leads and employers Taking the Time to Create an Optimized Profile Works Spending the time to Optimize your Profile really works Originally my profile was boring and not well targeted Because of this I didn't get any value from LinkedIn That all changed after I spent the time to go through each section adding editing and removing until I had a great profile Within a week I received an email out of the blue for a ghostwriting project Richard I'm looking for a ghost writer with some business and or IT background Your profile stood out to me He was pre-sold on my services and we quickly signed a contract and not a small one to write his new book Over the following year by putting the concepts in this book to work I received dozens of similar queries and over 50% of them resulted in signed contracts for paying jobs Optimizing your LinkedIn Profile really works Buy this Book Now to Understand How to Use LinkedIn Don't waste another day begging for clients being unhappy in your career or not gaining any real leads Scroll up and hit Buy now

Social Media Marketing for Beginners 2025 Jonathan Page, 2020-12-09 Social media has traversed far greater heights than simply being a medium for user generated content Today it's a tool for consumer empowerment we all witness big conglomerates being brought to their knees by that one dissatisfied tweet or widely shared post and a gratifying brand consumer partnership Even companies that have long been dismissing social media as frivolous and flippant have started

taking note of its benefits They've realized that social media is not limited to games and light hearted opinion polls which are also hugely successful in creating affable brands but can involve more serious discussions and insights that are invaluable when it comes to building strong brands Unlike traditional marketing mediums social media doesn't swallow a huge chunk of your advertising and promotion budget You don't need to create cost intensive and ineffectual marketing plans that leave you broke All you need is some creativity perceptiveness and an intuitive understanding about your audience's needs More than sharp business acumen you need a human touch Social media gives your brand a human angle without breaking the bank Currently social media marketing is the most powerful tool that can help businesses to reach customers and prospects whether small or not But with over 88 percent of all companies selling on at least one social media platform you can see how tempting it can be for the company to get lost in all that noise To achieve more organic visibility meet committed brand fans and even generate more sales and leads on your company social media pages you'll need a succinct marketing strategy to rise to the top Thankfully this book offers just that for you The book will show you how to promote your brand on social media peeling through the layers of the most popular social media sites to get to the heart of what makes an online marketing campaign effective Whether you are either active on social media or have never had a Facebook account this book will lead your social media marketing campaign every step of the way through building your account and improving your profile to posting content that your audience will want to connect with and the different ways to advertising and promoting your brand for more views and followers We will look at Facebook YouTube Instagram LinkedIn and Twitter in this book and show you that given the fierce competition social media marketing can be effective in your business A strong presence on social media is something that the company can't afford to miss Continue reading to see how to create a plan that will bring thousands of followers to your profile instantly
