How To Get Remote Work Productivity In 2025:

Remote Work, Internal Marketing and Human Resource Management Teena Mishra, 2024-12-02 Remote working is a developing idea that many organizations are embracing especially in light of COVID 19 and the rise in demand for remote and hybrid roles. As there is no standard model to use for implementation, a number of problems and difficulties develop as popularity increases and hybrid working environments become normalized. This book presents the views, opinions, and reality of remote work and creating an appropriate internal marketing culture in a remote environment. The key topics explored are the significance of remote work, remote work practice, reshaping the work environment, designing remote work models, remote work challenges, remote work facing business organizations, remote work management innovations and technology, the role of motivation and satisfaction in organizational development, employee empowerment in a remote setting, transparency and commitment for sustainable development, and the future of remote work. This research volume will be of value to researchers, academicians, practitioners, and students in the fields of human resource management, organizational studies, and innovation management.

Remote Work Revolution Tsedal Neeley, 2021-03-30 LONGLISTED FOR THE FINANCIAL TIMES MCKINSEY BUSINESS BOOK OF THE YEAR. I often talk about the importance of trust when it comes to work: the trust of your employees and building trust with your customers. This book provides a blueprint for how to build and maintain that trust and connection in a digital environment. Eric S. Yuan, founder and CEO of Zoom, Harvard Business School professor, and leading expert in virtual and global work. Tsedal Neeley reveals how to thrive in remote and hybrid organizations. Succeeding in a hybrid work environment comes with unique challenges. Managers must lead virtually more and more, keep teams motivated and productive, employ the most effective digital tools, and build trust. Employees need to feel connected, foster creativity, and continue to learn and feel supported. Remote Work Revolution answers the eight questions Tsedal Neeley gets asked the most about overcoming hybrid and remote work challenges, such as: How can I trust colleagues I barely see? How should I use digital tools in remote work? What do I need to know about leading virtually? Can my team really be productive remotely? Providing evidence-based answers to these and other pressing issues, key takeaways, and an interactive action guide, this book will help leaders and team members quickly develop an actionable plan and deliver results previously out of reach. This book is essential reading for navigating the enduring challenges teams and managers face in remote and hybrid work.
