How To Get Remote Jobs Usa For Dads:

Rich Dad's Before You Quit Your Job Robert T. Kiyosaki, Sharon L. Lechter, 2005-09-01 The tenth book in the series provides firsthand accounts of the author's startup companies what he learned from his successes and failures and other topics a reader needs to know in order to start a company and quickly develop it **The Job To Be Done** Clint L.

Coffey, 2023-01-12 A unique blend of historical narrative and personal memoir this is the powerful true story of seven young men including the author's father who served in Bomber Command in World War Two Based on a pilot's logbook and years of research this beautifully crafted historical exploration follows the young airmen through training and then vividly relates their experiences in almost sixty combat operations against targets in Germany and France The story of their lives after returning home including the burdens they carried with them is told with empathy and compassion The Job To Be Done is a compelling combination of original WW2 records and historical fact with thoughtful analysis and insights Using unique maps photographs logbook pages and interviews and anecdotes it crafts a deeply personal story that will resonate with fans of both military history and memoir The Job To Be Done is a heartfelt tribute and a uniquely rewarding reading experience

Father Involvement and Gender Equality in the United States Richard Petts, 2022-08-31 This book focuses on issues of family work and gender with a focus on gender inequality Women are disadvantaged in both paid and domestic work due in large part to being primarily responsible for duties within the domestic sphere The COVID 19 pandemic has exacerbated these inequalities making the issue of reducing gender inequality even more pressing Fathers play an important role in contributing to and perhaps reducing gender inequality but barriers to their involvement in family life have received less attention than detailing challenges that mothers face If men were equally involved in all aspects of domestic life i.e. were fully engaged dads women's burdens would be reduced and perceptions of who is responsible for parenting may change resulting in greater gender equality Father Involvement and Gender Equality in the United States focuses on the key issue of father involvement seeking to understand why fathers are less involved at home than mothers despite an increased desire for fathers to be more engaged parents This book utilizes recent national survey data interviews with fathers and insights from the author's personal experience as a father to identify current norms of fatherhood within the United States barriers to father involvement and strategies to overcome these barriers Overall this book argues that by establishing the expectation that fathers will be fully engaged dads as a cultural norm and by providing structural opportunities for fathers to meet this cultural standard greater gender equality can be achieved within the United States The arguments presented in this book are valuable for scholars in the areas of family work and gender policymakers and business leaders who seek to promote gender equality and work family balance and parents who are interested in achieving a more egalitarian division of labor within their own families Father's Handbook for Raising Children Henry Petersohn, Ph.D, 2023-04-28 About the Book This father's handbook is a major improvement over other handbooks for raising your children This up to date book covers common child

raising topics often omitted or only summarized in other books Each topic discussed is backed up by provided references with in depth specifics should readers want more details The Father s Handbook for Raising Children includes specific possible actions a father can take rather than just providing do good statements Its practical suggestions will save fathers time and money now and as your child ages About the Author A Ph D is a research and teaching degree Petersohn previously taught business management and statistics and has written on computer topics He personally had to undergo serious cardiac surgery and a stressful recovery and that involved Johns Hopkins and the Med Star Hospital in DC He also had to deal with more than two dozen family medical issues that pushed him into working with London s National Health System and Venice s Mesre as well as the Cleveland Clinic in Cleveland and St Joseph s in Phoenix He was drawn into extensive medical research as family issues became serious which spurred a deep interest in researching medical journals and reports from sources such as NIH Johns Hopkins UCLA Emory University and the MAYO Clinic Not Afraid of Life Bristol Palin,Nancy

French,2011-06-21 When her mother Sarah Palin became the Republican Vice Presidential candidate in 2008 Bristol Palin was instantly propelled into the national spotlight becoming the focus of intense public and national media scrutiny at the age of seventeen In Not Afraid of Life she shares with readers for the first time ever personal moments from her life from her Alaskan roots to her pregnancy and single motherhood to her star turn on TV s enormously popular Dancing with the Stars This candid memoir is a heartfelt true story of a woman who is centered by her strong Christian faith and is Not Afraid of Life
