Badir, 2024-03-28 This book focuses on Disruption and Change in the Asian region In this context managers and policymakers face a fast transformation of existing structures and business environments From a business perspective change is the adoption of business strategies activities and operations that meet the needs of the firm and its stakeholder today while protecting sustaining and enhancing the human and natural resources that will be needed in the future Disruption refers to the radical changes in existing industries or markets due to technological innovation breakthroughs There is a consensus among scholars and practitioners that organizations must manage the change well to flourish in a competitive business environment Many business models need to be rethought to establish new ways to stay competitive The book with its practical examples gives the reader impulses for new Asian s approaches and encourages the readers to dare to think and act in new ways

Flexible Lives Stefanie Reissner, Michal Izak, 2025-08-07 This geographically and methodologically diverse volume shines the spotlight on a

variety of flexible working practices beyond the predominantly Western perspective and zooms in on the gendered aspects of flexible working. The increasing use of flexible work arrangements has decoupled work from time and space making the world of work and home increasingly fluid and challenging to manage. The Covid 19 pandemic in particular has been a catalyst for questioning accepted norms of where when and how work takes place. This book seeks to explore the impact which this reshaping of traditional modes of working has had on workplace interactions and relationships as well as on managing the boundaries between familial and working lives. In this way this collection contributes to a wider dialogue concerning the flexibility challenges encountered by white collar workers which is needed now more than ever. This book will be relevant to scholars practitioners and policymakers in the fields of gender studies organizational behavior human resources and labor economics. It will be particularly useful for those examining the impact of remote work the future of work organizational culture and the social and economic implications of shifting work practices. The chapters in this book were originally published in *Culture and Organization* and are accompanied by an updated Introduction and a new Epilogue.
