Cheap Hybrid Work Schedule For Freelance Writers:

Work Less Jon Peirce, 2024-01-02 You can't have a healthy economy with an unhealthy work force. Work Less proposes ways to reduce work hours and keep workers happier, healthier, and more productive. Recent years have revealed just how stressed out many workers are. While the trend to longer hours has been developing for several decades, the trend's effects have been aggravated during the pandemic by the growing use of Zoom and other new technologies for meetings with clients, customers, and co-workers. Exhausted and fed up, today's workers are starting to insist on shorter hours and greater flexibility as to where they do their work. There is growing consensus that the forty-hour week, the norm since the 1940s, has outlived its usefulness. And there is an urgent need for new work schedules that adequately reflect the far greater intensity of work today as well as the greater family demands on a labour force made up of almost fifty percent women who bear the brunt of domestic duties. Work Less offers practical scheduling suggestions to employers and workers and numerous policy options for government policy makers to improve working conditions.

Beyond 9 to 5 Bogdan Marculescu, 2023-11-01 Beyond 9 to 5: The Art of Hybrid Entrepreneurship is a timely and transformative book that charts a course for success in the new world of work. Through its insightful guidance, interviews, analyses, and unwavering belief in the potential of every individual to become a hybrid entrepreneur, this book is your indispensable companion on the journey to financial independence and personal fulfillment. Get ready to step beyond 9 to 5 and embark on a path of limitless possibilities. In the coming years, the standard workweek will likely become a relic of the past, and the ways in which we earn a living will undergo profound transformations. For many, this may entail reduced hours and income in their primary employment. In this context, the ability to monetize one's time outside 9 to 5 becomes increasingly vital. Beyond 9 to 5 thus presents a powerful argument: anyone can learn the art of starting a profitable side business. The journey from novice to entrepreneur is a path that is accessible to all through hybrid entrepreneurship, regardless of their background or prior experience. The core message of the book resonates clearly in the evolving world of work: it is essential to see oneself not merely as an employee but as a creative and resourceful individual. Beyond 9 to 5 encourages readers to embrace their roles as intrapreneurs and hybrid entrepreneurs, seizing opportunities to generate income beyond the confines of traditional employment. In an era where change is the only constant, individuals must be adept at identifying and capitalizing on opportunities of all kinds.

Freelancing for Journalists Lily Canter, Emma Wilkinson, 2020-07-22 Freelancing for Journalists offers an authoritative, practical, and engaging guide for current and aspiring journalism freelancers, exploring key aspects of the role, including pitching a story, networking, branding, and navigating freelance laws and rights.
