Green,2019-12-10 How is this book different from others This guide acts like an in depth course on Instagram Marketing whereas other shorter guides only touch on the subject You will learn practical steps to growing your following in the most effective way possible *Instagram Influencer Secrets* Charlotte Sterling,2019-04-05 WARNING DO NOT READ THIS BOOK IF YOU HATE MONEY Want to turn your Instagram followers into DOLLARS Are you looking to build your business on Instagram and NEED the best strategy to get started Keep on reading Instagram Influencer Secrets is NOT going to tell you to purchase a following or to use silly scam accounts to gain bot followers Why Because none of those will actually make you a REAL influencer especially one who is going to be making money An Influencer is a title you need to achieve You need to earn that title because that s when you know your audience BELIEVES in you and whatever you have to say they will listen Okay Instagram marketing Got it But where the hell do I even start What hashtags do I use What photos should I be sharing Should I go follow everyone to get started What time do I post Do I respond to all comments Why do some people have emails and addresses and I can t do that If you re asking yourself all these answers good your taking steps in the right direction This isn t another crypto currency bandwagon you are joining It s time you join this community of businesses who have chosen to go above and beyond traditional marketing techniques to capture a whole new audience There is a goldmine of opportunity sitting in front of you and I m going to show you how to mine it In this book you ll learn How to create the OPTIMAL Instagram handle and username The 1 MOST IMPORTANT thing you need before you start your Instagram journey and it s not your profile photo The secrets of the perfect customer profile and where to find them How to target customers who WANT to purchase and WILL purchase The secret behind the Instagram Algorithm and how you can take advantage of it for your business Why you should NOT just post as often as possible on Instagram The 5 marketing campaigns you need to run on Instagram that will ALWAYS convert 10 steps to create the perfect Instagram post How to capture an audience you don t have then convert them into customers Videos or Instagram Stories Which one converts better How to take your followers beyond Instagram and purchasing on your website How to build Instagram into your Marketing strategy in your business The BEST automation tools to use so you don t have to work anymore and many other tips and tricks But WHY Instagram What about Facebook isn t that an even larger user base I don t know if you ve noticed but nowadays we have these new superheroes let s call them known as Influencers These people are leveraging social media to reach a massive audience of people all of which can become potential shoppers Instagram is home to nearly 1 BILLION monthly active users and 31% of these users earn more than 75k per year That s a lot of money floating around that you can tap into Facebook has more users yes but Instagram is home to the largest percentage of BUYERS We want people who are ready to buy and looking for someone to tell them what to buy That s where Instagram will always win and how you ll be winning next Look at your competitors are they killing it This is your kick in the butt to get started now it s never too late Even more reason you should buy this book and become an Instagram Influencer TODAY Even if you ve never used Instagram in your life or don t have the slightest clue

what a hashtag is this step by step guide will teach you everything you need to know You don t need a budget you can literally do everything in this book yourself and for free if you really wanted to All it takes is some time some hard work and this book So what are you waiting for Scroll up and buy this book now it s cheaper than a coffee Instagram Secrets Alexander Vinci,2021-09-04 Do you want to know how Instagram really works and what mindset you must have to succeed in this platform If you just starting reading through this guide and are thinking that your business isn t an eCommerce business and so Instagram isn t the place for you think again Remember the key proposition that Instagram brings is visualization Consider these examples 1 You re a real estate agent and want to highlight the newest mountain home that you have on the market 2 You are a world class hospital that just released a new mother s ward with beautiful birthing and stay suites with a spa like feel 3 You re a restaurant owner and want to highlight your savory and mouthwatering specials each week The above examples are all situations where nothing is actually being transacted online but the business is building brand awareness and drumming up interest so that the consumer will visit their website or pick up the phone to learn more The mysterious Instagram algorithm While we ll never know exactly how Instagram has weighted the various data points that they put into their algorithm we do know that Instagram s back end technology now focuses on relevancy serving up the posts that are most likely to relate to certain users based on their activity on the site So every time a user clicks through a post or spends a certain amount of time looking at a certain influencer Instagram is capturing that data in some way and building it into their engine to ensure that posts that users won t care about are less likely to show up in their feed We do know however that Instagram is looking at the following Timely content This is all about recency meaning if a user hasn t logged in for a while they won t have to scroll through outdated and no longer relevant posts They ll be shown timely content that matters to them Interest This is really the secret sauce as Instagram is paying attention and will serve content that it believes the user will be interested in Relationships Instagram knows what photos users tag and where they comment So if a user has interacted in some way with certain brands in the past they are far more likely to be served content from that brand or similar brands in the future For marketers this is a great thing It means that as Instagram learns more about your brand your posts and advertisements are more likely to get in front of your niche or target audience A few notes about Instagram Shopping With the release of Instagram Shopping in late 2016 Instagram literally turned their platform into an online marketplace While it is still a common practice to include website links to your business site and even to a product page now it is possible to allow the customer to transact directly on the Instagram platform For businesses that want to enable the Shopping capability they need to meet the following requirements You must have an Instagram business profile That business profile needs to be connected to a Facebook catalog Your company s registered headquarters location must be located in one of the Instagram approved countries Items for sale must be physical goods that comply with the trading guideline and terms of use set forth by Instagram As this Instagram Marketing Guide is intended as a resource for those getting started with Instagram marketing
