Filterworld Kyle Chayka, 2024-01-23 The story told here is instrumental to your own Jared Lanier Timely erudite important Ayad Akhtar What happens when our cultural and artistic lives are dictated to us by an algorithm What does it mean when shareability supersedes innovation How can we make a choice when the options have been so carefully arranged for us From coffee shops to city grids to TikTok feeds and Netflix homepages the world over algorithmic recommendations prescribe our experiences This network of mathematically determined choices the Filterworld has taken over almost unnoticed as we've grown accustomed to an insipid new normal But to have our tastes behaviours and emotions governed by computers calls the very notion of free will into question Internationally recognized journalist and New Yorker

staff writer Kyle Chayka journeys through this ever tightening web woven by algorithms He explores how online and offline spaces alike have been engineered for seamless consumption How the lowest common denominator is promoted at the expense of the complex diverse or challenging How users of technology contend with data driven equations that promise to anticipate their desires but often get them wrong How the Filterworld is determining the very shape of culture itself Chayka skilfully and compellingly traces this creeping machine guided curation that influences not just what culture we consume but what culture is produced In doing so he attempts to answer to the most urgent question currently facing us is personal freedom ever again possible on the Internet Filterworld is a fascinating history of the rise of the algorithm and an important investigation into where it could take us next if we let it

Daylight Robbery Dominic Frisby, 2019-10-17 Death and taxes are our inevitable fate We've been told this since the beginning of civilisation But what if we stopped to question our antiquated system Is it fair And is it capable of serving the needs of our rapidly changing modern society In Daylight Robbery Dominic Frisby traces the origins of taxation from its roots in the ancient world through to today He explores the role of tax in the formation of our global religions the part tax played in wars and revolutions throughout the ages why at one stage we paid tax for daylight or for growing a beard Ranging from the despotic to the absurd the tax laws of the past reveal so much about how we got to where we are today and what we can do to build a system fit for the future Featured on Stepping up with Nigel Farage An important book for investors in gold and bitcoin Daniela Cambone Stansberry Research This entertaining surprising contrarian book is a tour de force Matt Ridley author of The Evolution of Everything In this spectacular gallop through history Frisby shows how taxation has warped stunted and thwarted human progress Mark Littlewood Director General Institute of Economic Affairs Frisby's historical interpretation and utopian ideas will outrage Left and Right Steve Baker MP for Wycombe and Member of the House of Commons Treasury Committee Fascinating book which exposes the political and economic basis of tax A must read for those of us who believe in simpler lower taxes Rt Hon Liz Truss MP for South West Norfolk Secretary of State for International Trade and President of the Board of Trade
