

The background is a collage of several social media posts. On the left, a woman in a white shirt is drinking from a water bottle. In the center, a person is standing on a staircase. On the right, a woman is holding a phone to her face. At the bottom, there are more posts showing people using products. Overlaid on this collage are three text boxes: a yellow one at the top, a blue one in the middle, and a white one at the bottom.

L. Mak,1997-03-25 Asia is home to a majority of the world s population and has an expanding economy As the West engages in greater interaction with the East developments in Asia have increasingly greater significance throughout the world Higher education is central to the tremendous expansion of Asia This reference book surveys the state of higher education in 20 representative Asian countries Countries profiled include advanced industrial nations such as Japan and Singapore as well as more impoverished lands such as Bangladesh Chapters are written by expert contributors and each author cites current literature and research An introductory essay overviews the nature of higher education in Asia and an extensive bibliography concludes the work Developments in Asia have tremendous significance for the rest of the world Asia has a rapidly expanding economy and is home to most of the world s population It is a land of tremendous size and equally great diversity At times Asia seems to be

an economic and military threat to the West while on other occasions it seems to be a valuable partner in the emerging global economy The technological political and economic developments that have taken place in Asia are largely the result of Asian higher education Thus Asian higher education is important not only to the Eastern but also to the Western world This reference book surveys the state of higher education in Asia and thus provides a valuable perspective on changes in Eastern society An introductory essay discusses the current state of Asian higher education and provides a useful context for the rest of the work The remainder of the book contains alphabetically arranged entries on higher education in twenty representative Asian countries Some of the countries like China and India have enormous populations Others like Japan and Singapore have witnessed tremendous economic prosperity And some like Iran and North Korea have great political significance Each entry is written by an expert contributor and provides background information a discussion of current issues and an examination of future trends Entries cite current literature and research and the volume concludes with an extensive bibliography
