Chris will also cover what elements of his disruptive DNA have enabled him to accentuate his own personal brand in his entrepreneurial journey. Chris will discuss how you dress and how you look affects your personal brand, both positively and negatively, why great entrepreneurs like Richard Branson, Elon Musk, Steve Jobs, and Bill Gates all have great but divisive personal brands, but without them, their respective companies would be nothing. Chris will also discuss David Beckham, Gareth Emery, and Prince and what made their personal brands so effective and influential in succeeding in what they do.
