Rich Dad's Before You Quit Your Job Robert T. Kiyosaki, Sharon L. Lechter, 2005-09-01 The tenth book in the series provides firsthand accounts of the author's startup companies what he learned from his successes and failures and other topics a reader needs to know in order to start a company and quickly develop it *The Job To Be Done* Clint L.

Coffey, 2023-01-12 A unique blend of historical narrative and personal memoir this is the powerful true story of seven young men including the author's father who served in Bomber Command in World War Two Based on a pilot's logbook and years of research this beautifully crafted historical exploration follows the young airmen through training and then vividly relates their experiences in almost sixty combat operations against targets in Germany and France The story of their lives after returning home including the burdens they carried with them is told with empathy and compassion The Job To Be Done is a compelling combination of original WW2 records and historical fact with thoughtful analysis and insights Using unique maps photographs logbook pages and interviews and anecdotes it crafts a deeply personal story that will resonate with fans of both military history and memoir The Job To Be Done is a heartfelt tribute and a uniquely rewarding reading experience

Father Involvement and Gender Equality in the United States Richard Petts, 2022-08-31 This book focuses on issues of family work and gender with a focus on gender inequality Women are disadvantaged in both paid and domestic work due in large part to being primarily responsible for duties within the domestic sphere The COVID 19 pandemic has exacerbated these inequalities making the issue of reducing gender inequality even more pressing Fathers play an important role in contributing to and perhaps reducing gender inequality but barriers to their involvement in family life have received less attention than detailing challenges that mothers face If men were equally involved in all aspects of domestic life i.e. were fully engaged dads women's burdens would be reduced and perceptions of who is responsible for parenting may change resulting in greater gender equality Father Involvement and Gender Equality in the United States focuses on the key issue of father involvement seeking to understand why fathers are less involved at home than mothers despite an increased desire for fathers to be more engaged parents This book utilizes recent national survey data interviews with fathers and insights from the author's personal experience as a father to identify current norms of fatherhood within the United States barriers to father involvement and strategies to overcome these barriers Overall this book argues that by establishing the expectation that fathers will be fully engaged dads as a cultural norm and by providing structural opportunities for fathers to meet this cultural standard greater gender equality can be achieved within the United States The arguments presented in this book are valuable for scholars in the areas of family work and gender policymakers and business leaders who seek to promote gender equality and work family balance and parents who are interested in achieving a more egalitarian division of labor within their own families

web nov 11 2021 aiming to construct a sufficiently robust license plate recognition model this study adopted multitask learning in the license plate detection stage used the convolutional neural networks of single stage detection retinaface and mobilenet as approaches to license plate location and completed the license plate sampling through

automatic license plate recognition using python and opencv - Oct 05 2022

web license plate recognition using yolov4 object detection opencv and tesseract ocr automatic number plate localization license plate detection using opencv and python number plate text detection with source code license plate detection and recognition using neural networks

license plate detection and recognition in unconstrained - Apr 30 2022

web methods for automatic license plate recognition alpr most existing approaches are focused on a specific license plate lp region e g eu ropean us brazilian taiwanese etc and frequently explore datasets containing approximately frontal images this

work proposes a complete

leveraging model fusion for improved license plate recognition - Dec 07 2022

web sep 8 2023 license plate recognition lpr plays a critical role in various applications such as toll collection parking management and traffic law enforcement although lpr has witnessed significant advancements through the development of deep learning there has been a noticeable lack of studies exploring the potential improvements in results by

license plate recognition papers with code - Jan 08 2023

web this paper presents an efficient and layout independent automatic license plate recognition alpr system based on the state of the art yolo object detector that contains a unified approach for license plate lp detection and layout classification to improve the recognition results using post processing rules

license plate recognition github topics github - Aug 15 2023

web jul 1 2022 rodosol alpr a dataset for license plate detection and recognition that includes 20k images of vehicles with brazilian mercosur license plates dataset optical character recognition license plate recognition license plate detection scene text recognition automatic license plate recognition

license plate recognition sdk high quality lpr dtk software - Jul 02 2022

web license plate recognition sdk is a software development kit designed for software developers who wants to integrate vehicle license plate recognition into their software the fast and stable lpr engine is built on latest technologies and algorithms and provide highly accurate plate detection from real time video

rekor carcheck openalpr by rekor - Mar 30 2022

web whether you operate a car wash or an automotive service center carcheck s license plate and vehicle recognition allows you to quickly identify and process customers to decrease wait times while also increasing customer satisfaction
