**Freelance Writing** John Stiles, 2021-11-16 Freelance writing is an upcoming source of employment especially in the cultural economy. Freelance writers are self-employed and freelance writing focuses on providing content or information which is managed towards an end user or audience. Most content is centered on marketing products, services, and commodities. Books, magazines, live events, newspapers, and Internet platforms such as YouTube, blogs, and SEO engines are the major consumers of developed content. Providing keywords, copyediting, and user-friendly language are important aspects of this profession. For someone with an interest and eye for detail, this book covers the most significant topics in the field of freelance writing. It will serve as a valuable source of reference for those interested in this field.
