Colonel Roses Civil War Tunnel At Libby Prison:

Libby Prison Breakout Joseph Wheelan, 2010-10-22 While many books have been inspired by the horrors of Andersonville prison none have chronicled with any depth or detail the amazing tunnel escape from Libby Prison in Richmond Now Joseph Wheelan examines what became the most important escape of *Civil War Soldiers of Edgar County, Illinois* W. Edward Rolison, 2023-10-30 *Civil War Soldiers of Edgar County Illinois* Harrison and William Nay tells the story of two brothers who served in the Civil War and wrote home to their sister from their places of duty One was young single and a volunteer in 1862 The other was forty married with six children and one on the way when he was drafted in 1864 The younger was captured in the Battle of Chickamauga and spent nine months in Confederate prisons finally dying of scurvy at Danville Virginia The older was drafted three months after his brother died in 1864 and served in the Army of the Cumberland participating in the Battles of Franklin and Nashville With the end of the war in April 1865 the older brother was mustered out of the service and returned to his home in time to celebrate the Fourth of July There he became a large and prosperous farmer until his death in 1898 This is also the story of their sister Lucinda Nay Yowell and her descendants who preserved the letters until they came to the attention of the author some 150 years later The author presents this volume in recognition of the 158th anniversary of the end of the Civil War and in recognition of all the ordinary soldiers who have served so that this nation under God shall have a new birth of freedom and that government of the people by the people for the people shall not perish from the earth The author Dr W Edward Rolison is Professor Emeritus and former Head of the Department of the Social Sciences at Southwestern Oklahoma State University at Weatherford where he taught political science and history for thirty five years He recently published *On Democracy Essays on Principles Fundamental to American Government and the 2020 Presidential Election* 2023 *Old Abe is a hard man to work for and he pays his hands when he gets ready* Harrison Nay December 26 1862 Harriet informs me she is trying to get me a substitute If she does it would suit me very well as this is rather rough for a delicate constitution like mine William Nay December 5 1864 I heard this morning that old Abe was dead I don t think it is so I am afraid it ain t I would pull off my coat and holler a big holler but I am afraid it ain t so Then they would laugh at me So I will wait a while Nay cousin John Lawler April 16 1865 I found the stories to be both interesting and informative from eyewitness accounts of Civil War events I congratulate the author on his in depth research in writing this compelling family history Chris D Caldwell JD Attorney at Law and Civil War buff 2023 **“Out of the Mouth of Hell”** Frances H. Casstevens, 2011-01-06 Many Civil War prisoners Confederate and Federal came to feel that a quick death from a bullet would have been better than slowly starving in a cold crowded filthy prison The hope of freedom was sometimes the only thing that kept a prisoner alive and he tried every way possible to escape Here are histories of 27 of the most significant locations used to hold soldiers captured on the battlefield as well as political prisoners suspected of disloyalty They focus especially on the desperate and courageous attempts to gain freedom Federal and Confederate facilities

are each organized alphabetically Facts about each prison include when it was established type of facility location number and kind of prisoners held known escapes and other available data The histories are rich with detailed accounts of escapes and of conditions inside the prisons

Greatest Escape Stories Ever Told Darren Brown,2006-06-01 To reach freedom the most famous escapers of all time have been willing to endure the most horrific conditions and the direst consequences if caught The collection of tales in The Greatest Escape Stories Ever Told is gripping as only true life and death struggles can be Papillon fighting through the jungles of Guiana only to commit himself to the open ocean in a sixteen foot boat rather than face a life in exile Rocky Gause dodging bullets as he swims through shark infested waters to escape the Japanese at Bataan while those around him simply quit Latude battling against the dreaded Bastille Baron Trenck with chains covering almost every inch of his body digging and digging to free himself from wrongful imprisonment Andre Devigny so weak from starvation and poor treatment that he could barely lift himself shimmying across a rope only yards above a German sentry during World War II on the eve of his execution These are just a few of the twenty five bold and ingenious tales of escape included in this collection The Greatest Escape Stories Ever Told will hold readers captive for years to come Idaho Bulletin of Education Idaho.
