Aggrey Brown, 1978 *Class, State, and Democracy in Jamaica* Carl Stone, 1986-03-18 Poetry WINTER THE UNWELCOME VISITOR is a five section poetic cycle amending the ordinary with the extraordinary The work shows versatility in style and form and yet maintains poetic excellence a careful balance of metaphor imagery and thought Always experimental there is no one style that characterizes the book From brief and academic to wordy and effusive the style shifts according to the subject Unstintingly political unforgivingly critical of commonly held ideas about the relationship of humans to the natural world and to each other the relevance of this work to both a Canadian and an international audience is undeniable **Gunton's Magazine of American Economics and Political Science** Starr Hoyt Nichols, Stanhope Sams, 1901 **The Journal of Developing Areas**, 1979 Sociological Abstracts, 1983 **Sociological Abstracts** Leo P. Saunders, 1988 The volume analyzes local changes in Christianity in eight different cultures in the Pacific Jamaica California and Italy The contributors are particularly effective in linking local religious and kinship systems to supralocal changes in Christian denominations and in analyzing the motivations behind conversions resistance and disenchantment Each essay includes a map historical background and a concise ethnographic case The emphasis is on local interpretations rather than mission histories or theological variation and the breadth of the cases makes the volume a very useful source for understanding contemporary religious change A well written and well produced volume Choice As Christianity has gradually spread to all parts of the world Christian symbology meaning and dogma have been adapted in unique ways to each new ethnic tribal and national culture encountered This volume of essays looks at that process of adaptation at how Christianity transforms culture and is transformed by it One of the first comparative studies in an area of growing interest to anthropologists the collection offers empirical ethnographic case studies of Christian movements and communities in Melanesia Micronesia Korea Jamaica Italy and the United States and explores some new theoretical perspectives on the processes of cultural change **Center Journal**, 1984 *Central america and the caribbean (map)*, 1980 **Central America and the Caribbean** Graham Hovey, 1980 Departmental Reports to Council - University of the West Indies University of the West Indies (Mona, Jamaica), 1978 **Political Science, Government, and Public Policy Series.
