*Colorado City Polygamists* Benjamin G. Bistline, 2004 Warren Jeffs is expanding into Texas Their citizens law enforcement and government need an in depth understanding of polygamy how they developed over the years the strategies they employ how they deal with outsiders Not unlike Iraq our country faces a serious violation of freedom and human rights This is America after all and in America we defend freedom Polygamy's Rape of Rachael Strong John R. Llewellyn, 2006 This book documents a recent case history of a Mormon Fundamentalist polygamist Rachael Strong was raped by her polygamist prophet stepfather who claims he was only living his religion by a published doctrine that warns submit or be destroyed by God and ultimately by a Utah movement to decriminalize polygamy Legal Reference Law *Modern Polygamy in the United States* Cardell Jacobson, Lara Burton, 2011-03-09 This book reveals the history and culture of polygamous groups located primarily in the western parts of the United States The contributors to this volume are historians anthropologists and sociologists familiar with the various groups Together these authors provide a much needed understanding of the surprisingly large number of groups and individuals who live a quiet polygamous life style in the United States **Modern Polygamy and Mormon Fundamentalism** Brian C. Hales, 2006-01-01 2007 Best Book Award John Whitmer Historical Association Under the subject of alternative lifestyles the issue of polygamous relationships falls squarely in the middle of the debate Polygamous marriages are a common practice in many other countries but the United States has vehemently opposed such unions and will no doubt find itself disputing its position on them again in the near future As with the same sex marriage issue a firestorm of controversy surrounds the question since the right to participate in a polygamous union is very much tied to the right to live out one's preferences religious or not Detailed accounts of sexual abuse and child brides are frequently leaked from the various polygamous societies notwithstanding their extreme efforts to remain under the radar of law enforcement and the press A by product of these mysterious societies is that public interest is vitalized by their continuous efforts to gain independence from traditionalist culture This fascinating study seeks to trace the historical tapestry that is early Mormon polygamy details the official discontinuation of the practice by the Church and for the first time describes the many zeal driven organizations that arose in the wake of that decision Among the polygamous groups discussed are the LeBaronites whose blood atonement killings sent fear throughout Mormon communities in the late seventies and the eighties the FLDS Church which made news recently over its construction of a compound and temple in Texas and Warren Jeffs arrest and conviction and the Allred and Kingston groups two major factions with substantial membership statistics both in and out of the United States All these fascinating histories along with those of the smaller independent groups are examined and explained in a way that all can appreciate **Polygamy in Primetime** Janet Bennion, 2012 A provocative look at the costs and benefits of polygamy among western fundamentalist Mormon women American Polygamy Craig L. Foster, Marianne T. Watson, 2015-06-01 Today's Fundamentalist Mormons in the American West resist assimilation like their

forefathers Centered on faith they survive despite efforts to permanently end their cherished plural family arrangements While some Fundamentalists like Warren Jeffs go rogue and corrupt their beliefs in heinous crimes most hold steadfastly to a religion they say is biblical and restored by the first Latter day Saint prophet Joseph Smith in the early 1800s Mormon historians Craig Foster and Marianne Watson present more than two hundred photos and exclusive insights to explain how an estimated thirty thousand Fundamentalist Mormons still venerate a much debated legacy despite its difficult challenges and persist in living plural marriage *Evaluating the Effects of Polygamy on Women and Children in Four North American Mormon Fundamentalist Groups* Janet Bennion,2008 Highlights many of the inherent problems of polygyny but challenges the myopic media driven depiction of plural marriage This work criticizes the techniques used by state and federal governments to raid entire communities in the 1950s and in April 2008 Polygamy Ronald D. Lankford,2009 This book presents readers with a collection of seventeen essays that discuss various viewpoints on issues relevant to the subject of polygamy Topics covered include tolerance freedom of choice jealousy legalization and women s rights *Multiple Wives, Multiple Voices, Multiple Publics* Kyra Glass von der Osten,2009 **Battleground** Kimberly P.
