## **Columbia In Pictures:**

**March Forward with Columbia Through 1933-1934** Columbia Pictures Corporation, 1933      *Columbia Pictures* Bernard F. Dick, 2014-07-11 The recent 3.4 billion purchase of Columbia Pictures by Sony Corporation focused attention on a studio that had survived one of Hollywood's worst scandals under David Begelman as well as ownership by Coca Cola and David Puttnam's misguided attempt to bring back the studio's glory days. *Columbia Pictures* traces Columbia's history from its beginnings as the CBC Film Sales Company nicknamed Corned Beef and Cabbage through the regimes of Harry Cohn and his successors and concludes with a vivid portrait of today's corporate Hollywood with its investment bankers, entertainment lawyers, agents and financiers. Bernard F. Dick's highly readable studio chronicle is followed by thirteen original essays by leading film scholars writing about the stars, films, genres, writers, producers and directors responsible for Columbia's emergence from Poverty Row status to world class. This is the first attempt to integrate film history with film criticism of a single studio. Both the historical introduction and the essays draw on previously untapped archival material: budgets that kept Columbia in the black during the 1930s and 1940s; letters that reveal the rapport between Depression audiences and director Frank Capra; and an interview with Oscar-winning screenwriter Daniel Taradash. The book also offers new perspectives on the careers of Rita Hayworth and Judy Holliday; a discussion of Columbia's unique brands of screwball comedy and film noir; and analyses of such classics as *The Awful Truth*, *Born Yesterday*, *From Here to Eternity*, *On the Waterfront*, *Anatomy of a Murder*, *Easy Rider*, *Taxi Driver*, *The Big Chill*, *Lawrence of Arabia* and *The Last Emperor*. Amply illustrated with film stills and photos of stars and studio heads, *Columbia Pictures* includes a brief chronology and a complete 1920-1991 filmography. Designed for both the film lover and the film scholar, the book is ideal for film history courses.      **Columbia Pictures** Jim Pauley, 2024-10-15 Columbia Pictures reaches a major milestone in 2024 by celebrating the 100 year anniversary of Columbia's incorporation. In the same vein of recent Hollywood movie studio titles such as Warner Bros. *Hollywood's Ultimate Backlot*, Paramount *City of Dreams* and MGM *Hollywood's Greatest Backlot*, this new book documents the studio history of Columbia Pictures Corporation in Hollywood as well as Columbia's backlot in Burbank, California. This book reveals how Columbia came to be founded by Joe Brandt and brothers Harry and Jack Cohn in 1924 and uses the studio tour concept to describe Columbia's history of filmmaking which includes *Lost Horizon*, *Mr. Smith Goes to Washington*, *From Here to Eternity*, *The Bridge on the River Kwai* as well as many serials and television programs. The book has hundreds of photos including studio documents, vintage publicity stills and candid shots along with aerial views and maps. The majority of the photos have never been published before.      *Columbia Marches on* Columbia Pictures, Boris Artzybasheff, George Brown, 1934      [Catalog of Copyright Entries](#) Library of Congress.
