Come And Follow An Introduction To Christian Discipleship:

Come and Follow Frank Washington Jarvis,1972 **Here's How** Lee Brown,2013-06 How many times have you been told you should do some particular thing in your walk with Christ But has anyone ever taken the time to show you how We often feel guilty when people tell us we should be walking closer with Jesus because we simply don't know what that looks like in a real and practical sense In this book you'll find twelve practical lessons that cover what many consider to be the basics of truly following after Christ Rather than beat you over the head this work will actually show you the all important steps it takes to get closer to God and reveal the even more important reason that sits behind it all Whether you've been following Christ all your life or you're just taking your first steps Here's How will show you the path to true discipleship

Come and Die: Dying to Self and Living for Christ, A Book on Christian Discipleship Joshua West,2021-10-12 In today's Church we see the world beginning to filter in as people bend to the pressures of this life But in the Scriptures Jesus calls us to do something radical to come and die As we die to our flesh we will live with the eternal reward found only in Him But what does that kind of death look like In Come and Die Pastor Joshua West explores the Scriptures and extrapolates verses to show just what Christ means when He tells His followers to take up your cross and follow Me Are you brave enough to accept His call or will you continue to live this shallow empty life that holds no eternal meaning or reward *Follow the Master* Paul Barreca,2017-02-26 Discipleship is fundamental to the Christian experience Jesus called and trained his disciples and commissioned them to go and make disciples of others Matthew 28 19 20 That command compels Christians today and is the primary task of the Church This course is designed to help you fulfill Christ's call to come and follow me Matthew 16 24 These 34 lessons provide the foundational beliefs and behaviors of a mature disciple Even though this course was created for new Christians those who have not been intentionally discipled will grow through these lessons You can use this as a foundation for your own personal Bible study or better yet study with another Christian or in a group of fellow believers to grow in your knowledge of the Bible and live as mature disciples of Jesus *The Adventure of Discipleship* Daniel A. Keating,2018-11-01 Jesus tells us that to be his disciple we must surrender everything and with his grace brave the path provided for us by God Such a sojourn will surely be marked by joy suffering uncertainty and above all adventure Accordingly The Adventure of Discipleship presents the Gospel through the lens of great adventure stories from J R R Tolkien's The Lord of the Rings and C S Lewis's Chronicles of Narnia to popular adventure movies comic book superheroes and TV series While these stories we create and read and retell are but reflections and refractions of the great adventure of discipleship they provide us with genuine insight into life with Christ Author Daniel Keating shows why we must respond to the call of discipleship with venturesome faith as many great saints have before us Along the way of discipleship we come to understand the cost of following Jesus the importance of hope in light of setbacks and the gift of true friendship in this great adventure

Spiritual Discipleship J. Oswald Sanders,2017-07-04 Take time and trouble to keep yourself spiritually fit 1 Tim 4 7 J B

Phillips Translation As J Oswald Sanders points out true discipleship is more than intellectual assent to a belief in Christ it involves the whole person and lifestyle True disciples pursue their Master They know that God is watching over their faith but they also take Scripture s command seriously work out your own salvation with fear and trembling for it is God who works in you They take pains by His power to look more and more like Jesus This book will help you to be such a disciple It examines Jesus teaching on what it means to follow Him helping you become the kind of Christian Jesus wants you to be not one devised by man or even other Christians You ll learn The profile of an ideal disciple Conditions for discipleship The tests that disciples endure How disciples pray and grow The posture and practices of a disciple And more For anyone who wants to be not just a believer in Christ but an imitator of Him this book is a treasured resource Includes questions for reflection ideal for both individual and group study **The Episcopalian** ,1972 *Principles Of Effective Discipleship & Spiritual Maturity*. EMMANUEL OKAFOR,2025-10-04 Spiritual transformation is what happens when we evolve on the level of the Soul Like a lotus flower which is symbolic of inner transformation we emerge from the muddy waters of the ego into a more divinely expanded version of ourselves Spiritual transformation can happen slowly throughout time or in an unexpected fast or intense way Spiritual developing or growth is a term that refers to the spiritual path as a whole Spiritual transformation on the other hand is what happens within the spiritual journey Another way of distinguishing these two terms is by seeing spiritual awakening as a force of change that happens at the very beginning of the spiritual journey to experiencing a breakthrough in the middle of adversity And spiritual transformation is what happens near the end of that spiritual journey A disciple has been shown to be someone who follows the teachings life and aim of another until the person becomes like the master Discipleship in the Christian sense is the process of making someone become like Christ The disciple of Christ is to become like Christ in everything What is meant by discipleship and why is it important Discipleship helps believers to grow in their faith to grow in maturity and wisdom and build their faith on a strong foundation so that they can then disciple and lead others towards Christ What does the word discipleship mean in the Bible 1 one who accepts and assists in spreading the doctrines of another such as in Christianity one of the twelve in the inner circle of Christ s followers according to the Gospel accounts Followership can be defined as a process in which subordinates recognize their responsibility to comply with the orders of leaders and take appropriate action consistent with the situation to carry out those orders to the best of their ability Followership is the process of attaining one s individual goals by being influenced by a leader into participating in individual or group efforts toward organizational goals in a given situation Followership thereby becomes seen as a function of the follower the leader and situational variables Followership is a relational role in which followers have the ability to influence leaders and contribute to the improvement and attainment of group and organizational objectives We are all followers but what we gain from that relationship can vary widely depending on our reasons for following our enthusiasm for the methods and goals of the leader and our own skills and characteristics In this next activity you ll consider the leaders you follow As

you undergo the process of spiritual transformation the attachment to your ego becomes more transparent You cease being stuck in limited and rigid ways of being There s a freshness and lightness within your mind and heart that makes it easier to be flexible and adaptable Because your ego lessens you react less to other people and events that would usually irritate you up But by the grace of God I am what I am and his grace which was bestowed upon me was not in vain but I laboured more abundantly than they all yet not I but the grace of God which was with me 1 Corinthians 15 10 Most of us live our lives in a state of near constant anxiety Even if we re not consciously aware of this fear it s always waiting at a deeper subconscious level During spiritual transformation some and in very rare cases all of this looming anxiety dissolves What we re left with is more trust in the unfathomable wisdom of God We understand that everything is working for us not against us This enhanced trust leads to feelings of greater inner security as we come to see that nothing can truly touch our lives without divine permission this usually manifested in our bodies and can sometimes become quite troublesome Another name for this experience is undergoing a supernatural awakening where the primal life force energy rises within us and with it clears out old energetic obstructions EMMANUEL OKAFOR *Religious Books 1876-1982* ,1983 Models and Methods for Youth and Young Adult Ministry Arthur David Canales,2018-05-25 Models and Methods for Youth and Young Adult Ministry is a rare book on young adult and youth ministry in that it weaves sound theology and solid pastoral practice It invites pastoral practitioners scholars in the field and university ministry students to envision various models and methods for doing youth and young adult ministry in a collaborative and ecumenical way Through rich concrete examples and strategies the reader will grasp the significance of each model and the various methods to integrate and implement these robust approaches The result is this book will empower readers toward a more meaningful understanding of youth and young adult ministry which will in turn engage the young church of Christ *Discovering the Heart of Discipleship* Tracy Clyde,2025-10-28 When Jesus called His disciples He wasn t looking for the most qualified the most educated or the most powerful He was looking for willing hearts men who would leave everything to follow Him learn from Him and carry His message to the world *Discovering the Heart of Discipleship* invites readers to walk alongside these twelve men and the one who replaced the fallen Judas to uncover the transforming grace of God that turns ordinary people into extraordinary witnesses of His power Through thirteen deeply reflective lessons this book explores the lives personalities and purposes of the apostles Peter Andrew James John Philip Bartholomew Matthew Thomas James the Less Thaddeus Simon the Zealot Judas Iscariot and Matthias Each chapter takes readers on a journey through Scripture revealing not only who these men were but what their journeys teach us about faith calling courage and grace From Peter s boldness and restoration to Andrew s quiet evangelism to John s heart of love each story reveals a facet of discipleship that still speaks to us today This study blends biblical teaching with practical reflection Every lesson includes background information Scripture focus spiritual insight life application discussion questions and space for personal journaling and prayer Designed for both individual and group study *Discovering the Heart of*

Discipleship helps believers not only learn about the apostles but also reflect on their own spiritual growth inviting transformation from the inside out At its core this book is about transformation how Jesus still takes imperfect uncertain and sometimes fearful followers and shapes them into faithful disciples It reminds us that discipleship is not about performance but relationship not about status but surrender The apostles remind us that following Jesus is a lifelong process of learning unlearning trusting and growing Their stories show us that God calls not the perfect but the willing and that He turns moments of failure into opportunities for grace Each lesson also offers timeless truths for modern believers You will see how faith can flourish through doubt how humility strengthens leadership and how perseverance under pressure deepens trust The apostles journey mirrors our own the tension between weakness and strength fear and faith comfort and calling As their faith matured through obedience and suffering so too can ours grow through commitment and devotion to Christ Whether you are new in faith or have followed Christ for years Discovering the Heart of Discipleship will deepen your understanding of what it truly means to follow Jesus It will challenge you to move from observation to participation from belief to action and from comfort to calling This is not just a study of ancient lives it is an invitation to examine your own Through these lessons you will be encouraged to see how God uses every step of your journey every question and even every failure to shape your heart after His Faithful to Scripture and practical for today s believer Discovering the Heart of Discipleship calls readers to embrace the transforming process of following Christ with sincerity humility and courage As you turn these pages may you discover that the same Jesus who called fishermen tax collectors and zealots still calls you today to walk with Him to learn from Him and to reflect His heart to the world
