Come And See An Exploration Into Christian Discipleship:

Come and See Michael T. Winstanley, 1985 **"A Hard Saying"** Francis J. Moloney, 2001 In this collection of essays Moloney focuses upon aspects of the New Testament especially from the story of Jesus and the four Gospels which raise issues of contemporary concern **The Spirituality of the Gospels** Stephen C. Barton, 2006-09-06 Probably no other works of ancient literature have had a greater influence on religious life and thought than the Four Gospels Certainly no other works have been the subject of such intense study by those determined to learn more about the Gospels central often enigmatic figure And yet despite the bewildering variety of scholarly approaches few have sought to interpret the Gospels in terms of the distinctive spirituality that each contains and seeks to evoke in its readers That is the aim of this important new book to help today's readers explore what each Gospel has to offer when viewed by its own right as a classic of Western spirituality Written in a clear non technical style the fresh perspectives this work presents will open new vistas on the familiar stories about the life teaching and ultimate significance of Jesus Elenchus of Biblica , 1988 **A New and Ancient Evangelism** Judith Paulsen, 2024-06-25 Christianity Today 2025 Award of Merit Apologetics Evangelism 2025 Annual Word Awards Finalist Academic An engaging narrative packed with the kind of wisdom that if heeded could truly turn the world upside down Christianity Today Evangelism has a bad reputation It's been loaded with sales tactics market analysis and high pressure psychology an approach that often flattens other cultures and dishonors those we want to reach Evangelizers are encouraged to believe that everything depends on their understanding of the gospel and their powers of persuasion No wonder so few people want to get involved in sharing the faith This book recovers the ancient tradition of the church's evangelism rooted in the conversion stories of the Bible to offer a truly biblical understanding of evangelism Drawing on twenty five years of experience teaching evangelism to laypeople and ministry students Judith Paulsen shows that God uses ordinary people of faith within their everyday spheres of influence to draw people to himself She helps readers share the good news in a way that is authentic respectful and ideally suited to the cultural dynamics of today's world Above all she places the real work of evangelism where it belongs with the God who is still at work calling people to himself This book will be a valuable resource for professors and students in evangelism discipleship and missional theology courses as well as pastors and church leaders Discussion questions are included **Come and See** Randolph W. Barr, Anne-Rose Reeves, 1992 This is a Lenten resource that is thorough in scope and in detail It offers a stimulating exploration of Christian living in today's world and extends a provocative invitation to Christian discipleship Tested in the congregation served by the authors the contents are easily adapted to other parishes All the material in this volume is pastorally theologically and exegetically sound Richard L Thulin Ulrich Professor of the Art of Preaching Gettysburg Lutheran Seminary As a Cycle C Lenten based resource *Come And See* provides many opportunities for congregations It offers a pre Lenten Mission Fair which may be held during the second Sunday of Epiphany The Fair is an invitation to deeper discipleship during Lent It offers
