Whittlesworth Comes to Christmas Toner, Gerald R., 1991 This story is an exploration of families and love of deceit and the evolution of a new life It is a modern Christmas tale that addresses the good in all of us and our hopes for a second chance **Billionaires Unexpected Love** DeAndra White, A billionaire neighbor who avoids commitment a one night stand a promise to walk away and an unexpected pregnancy What could possibly go wrong I met Chase one day by chance when caught me in his arms to keep me from falling Our attraction was instantaneous We met again later that night and had the most amazing passionate night together Though I have never had a one night stand before this felt so right But Chase is determined to keep things casual and walks away Despite our mutual attraction Chase is adamant that he is not ready for a serious relationship so I decided to move on with my life One surprise pregnancy custody agreement and a heated battle later Will he be willing to risk everything He says he has deep feelings for me but is there really a chance this emotionally unavailable single dad will learn to love again If so will I really be happy with him All that Chase has put me through can I really trust him again *Paper Sheriff* Luke Short, 2016-11-01 From a winner of the Western Heritage Trustees Award The thrilling story of a sheriff caught between his outlaw in laws and the woman he loves Being the sheriff of Sutton County is no easy job but Reese Branham keeps the peace even though his own wife comes from the dreaded Hoad clan The Hoads have always been troublemakers And when one of them murders a man in cold blood Branham does his duty only to watch in dismay as the jury lets the killer go free Being a woman on the harsh frontier is bad enough But Jen Truro is also the local prosecutor and when a killer walks free because the jury doesn't trust her it's a hard pill to swallow Complicating the

situation is her past with Branham whom she spurned one too many times driving him to marry a woman he doesn't love. The Hoad clan is not a forgiving family and when they plan a massive cattle heist they have to know Branham won't get in the way. If his wife can't convince the lawman to mind his own business, the Hoads will be damned if they let him or his old flame stop them. A legend of western fiction, Luke Short, broke the trail for writers such as Louis L. Amour and Elmore Leonard. Paper Sheriff is an unforgettable tale of the men and women brave enough to tame the Old West.

Through a Glass, Darkly Charlotte Miller, 2001-10-01 Charlotte Miller's debut novel *Behold This Dreamer* was a regional success story in 2000. She continues now with the second installment of her trilogy exploring romance, culture, and place in the Depression-era Deep South. In the new book, Janson Sanders and his new bride Elise have been exiled by her wealthy father and have returned penniless and landless to his poor but proud relatives in Alabama. There they struggle to build a life for themselves and to recover the family farm stolen from Janson by an unscrupulous local landowner.

Adventure, 1919 Night Hostess Philip Dunning, 1928 *Over the Line* Harold Morrow Sherman, 1929 **McClure's Magazine**, 1928 *Sartoris* William Faulkner, 1929 **The Journal of American Folklore**, 1896 **Mr. Bunt** Ira Mallory Remsen, 1924 From the Melting of the Snow to the Greening of the Fields Joan Little Angelo, 2007-05-24 *From the Melting of the Snow to the Greening of the Fields* is my sixth book. It is the story of the St. Patrick's Day Flood of 1936 as seen through the experiences of the fictitious Claymore family and their friends and acquaintances. The fictional Reverend Claymore is a coal miner and a Presbyterian preacher who lives in the coal patch of the Back Bench Mining Company, disparagingly known as Bed Bug Row. The story takes place in just a few months during the year of 1936. It is about the flood, yes, and about love and courtship and about the people of southwest Pennsylvania who constantly find themselves as the speech goes, opposing a sea of troubles in an effort to end them. The things they do to rise above their circumstances are simple, unselfconscious, and even at times heroic. However, you see their actions, whether audacious and noble, sad or comical, you must know that they are always, to my knowledge, typical. The facts of the flood are true as reported in the 1936 issues of *The Pittsburgh Press*, which was my primary source of information. Also included in the accounts of the flood are personal recollections from the few people I could find who lived through it.
