

3 Remove the foliage, make groups of three to five roses to create strong blocks of color. Use the color with the carnations. Keep all the flowers the same height, approximately six inches.

4 Add the sweet peas between the groups of carnations and roses, making sure the centers of your foliage are still visible. Bring some of the sweet peas down at the sides to give a slight draped effect. Slide the baby's breath into your heart space and the roses on either side of the design. Tuck the baby's breath over the arrangement and keep all the green together at the center back. Hold together with a thumb. Add a few strands of grass to fill over the edge of the container at the front.

This arrangement captures up images of a happy, joyous celebration of flowers in an array of rich, jewel-like colors. Use the theme as a template up to date by using many phenomena of flowers complemented by the subtle grace of the foliage.
