The Professional Selling Skills Workbook Avila,1996 The Professional Selling Workbook contains sales exercises compiled from both academic and industry trainers as well as additional exercises specifically developed for this workbook Can be used as a stand alone text for personal selling or as a supplement text for sales management In addition to the number and variety of exercises available in each section the workbook offers the instructor a mix of truly experiential exercises coupled with self assessment tools and cognitive discussion question enabling the book to be used both in and out of class to reinforce and enrich reading and lectures Provided by publisher

Global Marketing Michael R. Czinkota,Ilkka A. Ronkainen,1996 Several key features make this book special Global Marketing offers a marketing management thrust into the global market It does not simply replicate domestic marketing issues with the addition of an international dimension Rather it dives headfirst into global issues It covers the entire range of international marketing including start up operations and new market entry considerations However its main emphasis rests on the key concerns of the multinational and global corporation It places key emphasis on the cultural and geographic dimensions in conjunction with their effects on marketing management It examines global marketing from a truly global perspective rather than just from the U S point of view As a result the concerns of firms around the world are addressed confronted and analyzed Global Marketing integrates the important societal dimensions of diversity environmental concern ethics and economic transformation
