Contemporary Ecuadorian Short Stories:

Contemporary Ecuadorian Short Stories Vladimiro Rivas Iturralde, 2002 **Lonely Planet Ecuador & the Galápagos Islands** Lonely Planet, *Latin American Women Writers* Kathy S. Leonard, 2007-09-19

There is a wealth of published literature in English by Latin American women writers but such material can be difficult to locate due to the lack of available bibliographic resources. In addition, the various types of published narrative short stories, novels, novellas, autobiographies, and biographies by Latin American women writers has increased significantly in the last ten to fifteen years. To address the lack of bibliographic resources, Kathy Leonard has compiled *Latin American Women Writers: A Resource Guide to Titles in English*. This reference includes all forms of narrative short story, autobiography, novel, novel excerpt, and others by Latin American women dating from 1898 to 2007. More than 3,000 individual titles are included by more than 500 authors. This includes nearly 200 anthologies, more than 100 autobiographies, biographies, or other narrative, and almost 250 novels written by more than 100 authors from 16 different countries. For the purposes of this bibliography, authors who were born in Latin America and either continue to live there or have immigrated to the United States are included. Also, titles of pieces are listed as originally written in either Spanish or Portuguese. If the book was originally written in English, a phrase to that effect is included to better reflect the linguistic diversity of narrative currently being published. This volume contains seven indexes: Authors by Country of Origin, Authors' Titles of Work, Titles of Work by Authors, Autobiographies, Biographies, and Other Narrative Anthologies, Novels and Novellas in Alphabetical Order by Author, and Novels and Novellas by Authors' Country of Origin. Reflecting the increase in literary production and the facilitation of materials, this volume contains a comprehensive listing of narrative pieces in English by Latin American women writers not found in any other single volume currently on the market. This work of reference will be of special interest to scholars, students, and instructors interested in narrative.
