

CONTEMPORARY MORMONISM

LATTER-DAY SAINTS IN MODERN AMERICA

CLAUDIA L. BUSHMAN

Contemporary Mormonism

Hans A. Baer

Contemporary Mormonism:

Contemporary Mormonism Claudia L. Bushman, 2006-01-30 Much misunderstood Mormonism had a colorful beginning in the 19th century as a visionary named Joseph Smith founded and built a community of believers with their own unique faith In the late 20th century the church had to come to terms with its own growth and organization as well as with the increasing pervasiveness of globalization secularization and cultural changes Today Mormonism is one of the major religions in America and continues to grow internationally However though the church itself remains strong it is elusive to those of other faiths Here a seasoned author and third generation Mormon sheds light on the everyday lives and practices of faithful Mormons Bushman s readers will come away with a more thorough appreciation of what it means to be Mormon in the modern world Much misunderstood Mormonism had a colorful beginning in the 19th century as a visionary named Joseph Smith founded and built a community of believers with their own unique faith In the late 20th century the church had to come to terms with its own growth and organization as well as with the increasing pervasiveness of globalization secularization and cultural changes Today Mormonism is one of the major religions in America and one that continues to grow internationally However though the church itself remains strong it is elusive to those of other faiths Here a seasoned author and third generation Mormon sheds light on the everyday lives and practices of faithful Mormons Bushman s readers will come away with a more thorough appreciation of what it means to be Mormon in the modern world Following Brigham Young into the Great Basin and founding communities that have endured for over 100 years Mormons have forged a rich history in this country even as they built communities around the world But the origins of this faith and those who adhere to it remain mysterious to many in the United States Bushman allows readers a vivid glimpse into the lives of Mormons their beliefs rituals and practices as well as their views on race ethnicity social class gender and sexual orientation The voices of actual Mormons reveal much about their inspiration devotion patriotism individualism and conservatism With its mythical history and unlikely success many wonder what has made this religion endure through the years Here readers will find answers to their questions about what it means to be Mormon in contemporary America Contemporary Mormonism Marie Cornwall, Tim B. Heaton, Lawrence Alfred Young, 2001 Contemporary Mormonism is the first collection of sociological essays to focus exclusively on Mormons Featuring the work of the major scholars conducting social science research on Mormons today this volume offers refreshing new perspectives not only on Mormonism but also on the nature of successful religious movements secularization and assimilation church growth patriarchy and gender roles and other topics This first paperback edition includes a new introduction assessing the current state of Mormon scholarship and the effect of the globalization of the LDS Church on scholarly research about Mormonism **The Latter-Day Saints in the Modern Day World** William Joseph Whalen, 1964 **Revisiting Thomas F. O'Dea's The Mormons** Cardell K. Jacobson, John Patrick Hoffmann, Tim B. Heaton, 2008 Revisits the life and work of Thomas F O Dea author of a landmark social science treatment of Mormon society and culture offering

new insights about the LDS Church and its members Mormonism Richard Lyman Bushman,2008-04-22 This short introduction explains who Mormons are what they believe and how they live their lives Written by Richard Lyman Bushman an eminent historian and practicing Mormon this compact informative volume ranges from the history of the Church of Jesus Christ of Latter day Saints to the contentious issues of contemporary Mormonism Bushman argues that Joseph Smith still serves as the Mormons Moses Their everyday religious lives are still rooted in his conceptions of true Christianity Bushman s account examines both the positive aspects of Mormonism as well as the tensions and sorrows of Mormon life

CONTEMPORARY MORMONISM LATTER-DAY SAINTS IN MODERN AMERICA. C. BUSHMAN,2022 Recreating Utopia in the Desert Hans A. Baer,1988-07-08 Recreating Utopia in the Desert A Sectarian Challenge to Modern Mormonism is the account of a millenarian sect officially known as the Aaronic Order one of the main splinter groups of the Mormon Church Their story tells us much about the social tensions particularly along class lines that have emerged in Mormonism The Aaronic Order or Levites emerged as the Mormon Church evolved from a religious utopia in the Midwest to a near nation state in the Intermountain West to finally an international theocratic corporation Drawing upon the concept of revitalization movements the Levite sect is viewed as an attempt by working class Mormons to resurrect the communitarian ideals they perceived as characteristic of earlier nineteenth century Mormonism From their beginnings in the Depression the Levites have developed a series of cooperative and communal ventures in Utah based upon the revelations of Maurice Glendenning We see in the Levites the seemingly inevitable processes of institutionalization and fission characterizing revitalization movements that survive By explaining the impetus for the development of sectarian groups such as the Levites the author offers important insights for the discussion of religious communitarianism and schismatic movements in contemporary religion *The Thin Line* Elmer Jay Richardson,2008 The Church of Jesus Christ of Latter day Saints also known as the Mormon Church is one of the fastest growing religions in the world According to some scholars Mormonism stands poised to become the next major world religion Yet philosophical and theological questions continue to arise that could prevent Mormonism from making the inroads into the larger world culture to become a major world religion Among these questions is one central question What should be the relationship between reason and revelation The lack of a clear and consistent answer to this question continues to influence the development of this religion From issues of writing Mormon history to evolution to new research on the Book of Mormon the issue of the exact relationship between reason and revelation is the key question facing contemporary Mormons Drawing upon the work of sociologists and postliberal theologians this dissertation argues that a more dynamic relationship based upon dialogue with other cultures can be observed to be slowly emerging among theologically informed Mormons that overcomes present tensions within Mormonism in the area of religion and revelation Such dialogue can be enhanced from not only events in Mormon history but also from scholars studying this issue outside of Mormonism **Contemporary Mormonism** Marie Cornwall,Tim B. Heaton,Lawrence Alfred Young,1994

This first book length treatment of Mormonism from a sociological perspective has much to tell not only about Mormonism but also about the nature of successful religious movements Includes information on secularization and assimilation identity formation recruitment church growth patriarchy and gender roles institutional changes and more Graphs and tables

David O. McKay and the Rise of Modern Mormonism Gregory A. Prince, William Robert Wright, 2005 Focuses primarily on the years of McKay s presidency of the Church of Jesus Christ of Latter day Saints during some of the most turbulent times in American and world history

Mormonism in Dialogue with Contemporary Christian Theologies David Lamont Paulsen, Donald W. Musser, 2007 This volume brings together for the first time a broad range of scholars from Mormon and other Christian traditions Replacing polemics and apologetics with dialogue these exchanges show how the full spectrum of contemporary theologies can be informed by uniquely Mormon ideas and correlatively how Mormon thought can be illuminated through the study of key ideas of the foremost theologians of the twentieth and twenty first centuries

Tabernacles of Clay Taylor G. Petrey, 2020-04-17 Taylor G Petrey s trenchant history takes a landmark step forward in documenting and theorizing about Latter day Saints LDS teachings on gender sexual difference and marriage Drawing on deep archival research Petrey situates LDS doctrines in gender theory and American religious history since World War II His challenging conclusion is that Mormonism is conflicted between ontologies of gender essentialism and gender fluidity illustrating a broader tension in the history of sexuality in modernity itself As Petrey details LDS leaders have embraced the idea of fixed identities representing a natural and divine order but their teachings also acknowledge that sexual difference is persistently contingent and unstable While queer theorists have built an ethics and politics based on celebrating such sexual fluidity LDS leaders view it as a source of anxiety and a tool for the shaping of a heterosexual social order Through public preaching and teaching the deployment of psychological approaches to cure homosexuality and political activism against equal rights for women and same sex marriage Mormon leaders hoped to manage sexuality and faith for those who have strayed from heteronormativity

The Palgrave Handbook of Global Mormonism R. Gordon Shepherd, A. Gary Shepherd, Ryan T. Cragun, 2020-11-12 This handbook explores contemporary Mormonism within a global context The authors provide a nuanced picture of a historically American religion in the throes of the same kinds of global change that virtually every conservative faith tradition faces today They explain where and how the Church of Jesus Christ of Latter day Saints has penetrated national and cultural boundaries in Latin America Oceania Europe Asia and Africa as well as in North America beyond the borders of Mormon Utah They also address numerous concerns within a multinational multicultural church What does it mean to be a Latter day Saint in different world regions What is the faith s appeal to converts in these places What are the peculiar problems for members who must manage Mormon identities in conjunction with their different national cultural and ethnic identities How are leaders dealing with such issues as the status of women in a patriarchal church the treatment of LGBTQ members increasing disaffiliation of young people and decreasing growth rates in North and Latin

America while sustaining increasing growth in parts of Asia and Africa **Why I Stay** Robert A. Rees, 2011 Mormonism is a community with two faces progressive and conservative This is true of nearly all faith traditions which can be alternately open or defensive traditional or innovative accepting or judgmental In the case of the LDS Church it continues a century after having shaken off the stigma of polygamy three decades after embracing blacks as equals and in the face of international growth to wrestle with freeing itself from its past insularity In doing so it will find its place within the larger religious world and its accommodation to the challenges of modernism This all represents a challenge for individual members especially for artists scholars and independent thinkers The poet Robert Haas has made a distinction between religion which is communal worship centered on shared ideas of the sacred and spirituality which has to do with the individual soul's struggle with its own meaning In this anthology sixteen Latter day Saints explain how they balance the demands of religion and spirituality in the modern Church It brings to mind the example of LDS educator Lowell Bennion who offered the image of carrying water on both shoulders to explain the binary nature of balancing faith with reason institutional commitment with individual integrity obedience with love It is encouraging to discover so many Latter day saints who the editor writes neither stay with their faith blindly nor leave it rebelliously but rather choose to struggle with challenges and strive for a more mature discipleship The contributors to this anthology are Lavina Fielding Anderson Mary Bradford William Bradshaw Claudia L Bushman Fred Christensen Lael Littke Armand Mauss Chase Peterson Grethe Peterson J Frederick Toby Pingree Gregory Prince Robert A Rees Tom Rogers William D Russell Cherry Bushman Silver and Morris Thurston **Roots of Modern Mormonism** Mark P. Leone, 1979 *American Universities and the Birth of Modern Mormonism, 1867-1940* Thomas W. Simpson, 2016-08-26 In the closing decades of the nineteenth century college age Latter day Saints began undertaking a remarkable intellectual pilgrimage to the nation's elite universities including Harvard Columbia Michigan Chicago and Stanford Thomas W Simpson chronicles the academic migration of hundreds of LDS students from the 1860s through the late 1930s when church authority J Reuben Clark Jr himself a product of the Columbia University Law School gave a reactionary speech about young Mormons search for intellectual cultivation Clark's leadership helped to set conservative parameters that in large part came to characterize Mormon intellectual life At the outset Mormon women and men were purposefully dispatched to such universities to gather the world's knowledge to Zion Simpson drawing on unpublished diaries among other materials shows how LDS students commonly described American universities as egalitarian spaces that fostered a personally transformative sense of freedom to explore provisional reconciliations of Mormon and American identities and religious and scientific perspectives On campus Simpson argues Mormon separatism died and a new modern Mormonism was born a Mormonism at home in the United States but at odds with itself Fierce battles among Mormon scholars and church leaders ensued over scientific thought progressivism and the historicity of Mormonism's sacred past The scars and controversy Simpson concludes linger Understanding Your Mormon Neighbor Ross Anderson, 2011-09-20 In

Understanding Your Mormon Neighbor Ross Anderson seeks to help Christians relate to Latter day Saints by giving insights into Mormon life and culture Anderson s work is supported both by his lifetime of experiences growing up Mormon and by current research that utilizes many Latter day Saints own sources This book explains core stories that form the Mormon worldview experiences that shape the community identity of Mormonism and how Mormons understand truth Anderson shares how most Mormons see themselves and others around them illuminating why people join the LDS Church and why many eventually leave Latter day Saints will find the descriptions of their values practices and experiences both credible and familiar Understanding Your Mormon Neighbor suggests how Christians can befriend Latter day Saints with confidence and sensitivity and share the grace of God wisely within their relationships Anderson includes discussion questions for individuals and small groups black and white photographs and charts and an appendix that includes Are Mormons Christians and Should I Vote for a Mormon

Sojourner in the Promised Land Jan Shipps,2000-12-19 Infused with Jan Shipps s lively curiosity scholarly rigor and contagious fascination with a significant subculture Sojourner in the Promised Land presents a distinctive parallel history in which Shipps surrounds her professional writings about the Latter day Saints with an ongoing personal description of her encounters with them By combining a portrait of the dynamic evolution of contemporary Mormonism with absorbing intellectual autobiography Shipps illuminates the Mormons and at the same time shares with the reader what it has been like to be on the outside of a culture that remains both familiar and strange

The Triple Package Amy Chua,Jed Rubenfeld,2014 It may be taboo to say so but some groups in this country do better than others Mormon Cuban Nigerian and Chinese Americans have all recently achieved astonishing business success This book uncovers the secret to their success

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Contemporary Mormonism eBooks, including some popular titles.

FAQs About Contemporary Mormonism Books

What is a Contemporary Mormonism PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Contemporary Mormonism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Contemporary Mormonism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Contemporary Mormonism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Contemporary Mormonism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
