Marcuse, 2023-11-15 **Acts of Mind** Richard Jackson, 1984-05-30 There have been any number of books of interviews with contemporary writers but none precisely like this one The author editor has somehow managed to get these very different poets to follow his lead and in many cases for the first time anywhere to reveal much about their intellectual habits assumptions and preconceptions In almost every case he has been able to get these poets to talk more openly and freely than anyone else has ever done George Garrett Reading Adrienne Rich Jane Roberta Cooper, 1984 Gathering reviews and essays which examine Rich's poetry and prose this text also looks at how critical opinion about her works has changed Challenging Boundaries Joyce W. Warren, Margaret Dickie, 2012-03-15 What if the American literary canon were expanded to consistently represent women writers who do not always fit easily into genres and periods established on the basis of men's writings How would the study of American literature benefit from this long needed revision This timely collection of essays by fourteen women writers breaks new ground in American literary study Not content to rediscover and awkwardly fit female writers into the white male scheme of anthologies and college courses editors Margaret Dickie and Joyce W Warren question the current boundaries of literary periods advocating a revised literary canon The essays consider a wide range of American women writers including Mary Rowlandson Margaret Fuller Harriet Beecher Stowe Emily Dickinson Frances Harper Edith Wharton Gertrude Stein Amy Lowell and Adrienne Rich discussing how the present classification of these writers by periods affects our reading of their work Beyond the focus of feminist challenges to American literary periodization this volume also studies issues of a need for literary reforms considering differences in race ethnicity class and sexuality The essays are valuable and informative as individual critical studies of specific writers and their works Challenging Boundaries presents intelligent original well written and practical arguments in support of long awaited changes in American literary scholarship and is a milestone of feminist literary study **The Dismantling of Time in Contemporary Poetry** Richard Jackson, 1988 *American Reference Books Annual* Bohdan S.
