Contemporary Roumania And Her Problems A Study In Modern Nationalism:

Tourism and Memories of Home Sabine Marschall, 2017-02-03 This book investigates home and homeland as destinations of touristic journeys and adds to recent scholarly interest in the intersection between tourism and migration. It covers the temporary visits and journeys in search of home and homelands by migrants, displaced people, exiles and diasporic communities in a wide range of different geographical and historical contexts. Personal and collective forms of memory are shown to play a key role in the motivation for and experience of such journeys. The volume contributes to the investigation of the tourism memory nexus as it conceptualizes memory as underpinning touristic mobility, experience and performativity. Based on ethnographic case studies and other types of qualitative empirical research, the chapters of this book foreground individual touristic experiences, emotions, memories, perceptions, the search for identity and a sense of belonging. The book will be of interest to students and researchers in the fields of tourism, heritage, anthropology, identity studies, memory studies and migration/diaspora studies.

Less than Nations Giuseppe Motta, 2013-11-18 *Less than Nations: Central Eastern European Minorities after WWI* represents the result of research that the author has carried over recent years and was facilitated by the 2008 PRIN project Programmi di Ricerca di Rilevante Interesse Nazionale and the 2010 Sapienza Research funds. The book analyses the conditions of national minorities after World War I when the geo-political map of Central Eastern Europe was redefined by international diplomacy. The new settlements were based on the principle of national self-determination and were conditioned by the geographic reality of Central Eastern Europe where states and nations rarely coincided. The second volume of the book analyses some special aspects of this question and focuses on the interpretation of some particular cases which had an outstanding role in the definition of the international framework. The massacres of the Armenians in the Ottoman Empire and of the Jews in Eastern Europe, for example, alarmed the international community and contributed to the 1919 emergency of minority rights. The role of Kin States such as Germany and Hungary instead characterized the entire interwar period and conditioned the stability of Europe and the League of Nations. Finally, special cases like those of Slovakia and Bosnia are also helpful in understanding the ideas of nation and minority and how conceptualisations of the latter have changed throughout the last century.

A History of Romanian Oil Vol I Gh. Buzatu, *Lucrarea reprezintă o sinteză apurată și tipică a două volume: vol I 2002 și vol II 2004 și sub egida Editurii Mica Valahie din București. Volumele elaborate în temeiul unor documente descoperite în arhivele române și străine acoperă perioada de pe la 1929 în primul volum și perioada 1929-2005 în cel de-al doilea volum. În lucrare se relevă rolul și locul petrolului românesc în derularea istoriei naționale și universale mai ales pe parcursul conflagrației mondiale din 1939-1945 și în desfășurarea războiului rece. Volumul stăruie asupra perspectivelor evoluției problemei aurului negru în anexe se publică documente și bibliografia completă a petrolului.*

Eastern European National Minorities, 1919-1980 Stephan M. Horak, Richard Blanke, 1985 A series of chapters on national minorities in the Eastern European states each with a historical introduction followed by an annotated bibliography.

total of 982 entries Sections on Jews are found in the chapters on Poland Czechoslovakia Hungary Romania Yugoslavia and Bulgaria Includes books pamphlets and articles published between 1919 83 in English Hebrew Yiddish and European languages Includes material on the activities of other minorities during World War II such as Ukrainian collaboration with the Nazis

Romania Andrea Deletant, Dennis Deletant, 1985 **The Bibliography of Romanian Nationalism & Ethnicity in Western Languages** Sorin Mitu, 2008 **Pages of Romanian History** Armando Alonso Piñeiro, 1990 *Contemporary Roumania and Her Problems* Joseph Slabey Rouček, 1932 *Casa Frumoasă* Jan Harold Brunvand, 2003

Home to the New York Yankees the Bronx Zoo and the Grand Concourse the Bronx was at one time a haven for upwardly mobile second generation immigrants eager to leave the crowded tenements of Manhattan in pursuit of the American dream Once hailed as a wonder borough of beautiful homes parks and universities the Bronx became during the 1960s and 1970s a national symbol of urban deterioration Thriving neighborhoods that had long been home to generations of families dissolved under waves of arson crime and housing abandonment turning blocks of apartment buildings into gutted graffiti covered shells and empty trash filled lots In this revealing history of the Bronx Evelyn Gonzalez describes how the once infamous New York City borough underwent one of the most successful and inspiring community revivals in American history From its earliest beginnings as a loose cluster of commuter villages to its current status as a densely populated home for New York s growing and increasingly more diverse African American and Hispanic populations this book shows how the Bronx interacted with and was affected by the rest of New York City as it grew from a small colony on the tip of Manhattan into a sprawling metropolis This is the story of the clattering of elevated subways and the cacophony of crowded neighborhoods the heady optimism of industrial progress and the despair of economic recession and the vibrancy of ethnic cultures and the resilience of local grassroots coalitions crucial to the borough s rejuvenation In recounting the varied and extreme transformations this remarkable community has undergone Evelyn Gonzalez argues that it was not racial discrimination rampant crime postwar liberalism or big government that was to blame for the urban crisis that assailed the Bronx during the late 1960s Rather the decline was inextricably connected to the same kinds of social initiatives economic transactions political decisions and simple human choices that had once been central to the development and vitality of the borough Although the history of the Bronx is unquestionably a success story crime poverty and substandard housing still afflict the community today Yet the process of building and rebuilding carries on and the revitalization of neighborhoods and a resurgence of economic growth continue to offer hope for the future

Transylvanian Review , 1996 *Development of Class Structure in Eastern Europe* Aleksander Gella, 1988-12-06

Emphasizing the development of class structure this book is the first in English to describe the historical and social development of Poland Czechoslovakia Hungary and Romania from medieval feudalism to modern capitalism Historically these countries have maintained mostly peaceful relations among themselves in the past and now share the common characteristic of being Soviet satellites The author has devoted particular attention to Poland because of its unique

political system as well as its greater size population and cultural influence The book is divided into three sections part one reviews the early history and social structure of each country part two provides a sociological analysis of social classes and their evolution over centuries and part three examines the effect that World War II has had on these social classes **The Ruling Council** Gheorghe Iancu,1995 **A History of Romanian Historical Writing** Frederick Kellogg,1990 The Romanian Collection in the Pennsylvania State University Libraries Gerald J. Bobango,1975 *Recent Geographical Literature, Maps, and Photographs Added to the Society's Collection* ,1933 *Political Development and Bureaucracy in Romania Prior to World War II.* Ilie Smultea,1968 Colloquia ,1995 Recent Geographical Literature, Maps and Photographs Royal Geographical Society (Great Britain),1931 **The Statesman's Year-book** Frederick Martin,Sir John Scott Keltie,Isaac Parker Anderson Renwick,Mortimer Epstein,Sigfrid Henry Steinberg,John Paxton,Brian Hunter (Librarian),1940 *Subject Guide to Books in Print* ,1993
