**Contemporary Shorthand** Roy B. Tabor, 2004 A unique approach to fast writing for both professional and general note taking The primary textbook of this method of contemporary shorthand presents the two levels of the system Basic mode for professional and frequent shorthand writers Alpha level for the general or occasional note taker this is the alphabetic version which uses familiar longhand letters Basic mode uses only simplified letters written as single pen strokes A special Keyboard level is included for those who wish to take quick notes on a keyboard or laptop computer The system is particularly easy to learn in only a few hours The few simple rules are common throughout the integrated system This unique approach to shorthand enables the method to be used by all categories of note takers Students choose their starting level according to anticipated frequency of use high frequency by professionals or occasional use by the general note taker The two levels can be combined to meet personal needs This is a preferred shorthand system for reporters journalists secretaries and all professionals who need an accurate system of rapid writing which can be acquired in a matter of hours The system is equally suitable for all student note taking from high school to university and beyond

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
