Contemporary Social Issues A Reader

Mindy Stombler, Amanda M. Jungels

Contemporary Social Issues A Reader:

Seeing Social Problems Brandon Lang, Molly Monahan Lang, 2019-12-13 *Seeing Social Problems Readings on Contemporary Issues in the United States* provides students with engaging thought provoking articles that examine a wide array of current social issues the types of behaviors that perpetuate such problems and how these issues affect the daily lives of Americans Students are invited to critically consider how key issues have evolved and changed over time and to devise new ways for society to improve both as people and as a nation The reader is divided into eight sections Opening sections address socioeconomic inequality and poverty racial and ethnic inequality gender inequality and homophobia and crime Later sections explore social problems related to medicine and health families education and the environment The revised first edition features up to date information on several important issues including race gender crime health care drug abuse and pollution Recent developments related to the Black Lives Matter and MeToo movements Obamacare and environmental justice are addressed A new reading concerning the American opioid crisis has also been added Developed to inspire critical thought and a greater understanding of contemporary issues *Seeing Social Problems* is an ideal resource for courses in sociology Brandon Lang earned his Ph D in sociology at North Carolina State University He is an associate professor in the Department of Sociology Social Work and Criminal Justice at Bloomsbury University Dr Lang s areas of interest include the sociology of sports and community public and environmental sociology His writing has appeared in numerous journals including *Culture and Agriculture Technology in Society* and *Journal of Environmental Education* Dr Lang is a member of the International Sociology of Sport Association and the Eastern Sociological Society Molly Monahan Lang earned her Ph D in sociology at North Carolina State University She is an assistant teaching professor of sociology at Penn State Behrend Dr Monahan Lang s research interests include the intersections of race social class and gender within social institutions with particular emphasis on marriages and death dying

Focus on Social Problems Mindy Stomblor, Amanda M. Jungels, 2017 *Focus on Social Problems A Contemporary Reader* exposes students to current issues in the field The selections in this reader help students understand how social problems are defined and constructed increase their empirical knowledge about the causes and consequences of social problems and develop empathy Working from a critical social constructionist foundation the readings address a wide variety of social problems Editors Mindy Stomblor and Amanda M Jungels include a combination of research based articles and popular media pieces Each chapter opens with an interview of a social change activist doing work related to the chapter s featured social problem giving students an opportunity to envision themselves as agents of social change

Contemporary Social Problems in the UK Selwyn Stanley, 2022-09-30 Social problems are endemic to all societies The UK is no exception and is grappling with a plethora of issues including poverty family breakdown domestic violence teenage pregnancy child abuse and neglect youth offending alcohol and drug misuse mental health issues homelessness and ethnic and religious discrimination These problems have huge implications for the individual the family

unit and society at large and take their toll on health wellbeing and community resources They place an enormous amount of strain on government finances and the welfare state and add to the burden on social institutions such as the National Health Service and the social work and criminal justice systems Contemporary Social Problems in the UK explores a wide range of social problems in the UK Each social problem has been explored using a range of psychosocial theories to generate an understanding of various causal factors and to examine the linkages between different social problems Government policy and legislation remedial measures preventive approaches and strategies of intervention are also considered for each social problem that has been dealt with Each chapter deals with a particular social problem and has been penned by an expert in that topic The endeavour has been to provide a multi dimensional overview of the social problem in a manner that is engaging and easy to read The end of chapter content includes supplementary reading useful topic related websites besides a quiz and individual group activities to generate discussion and stimulate learning This informative yet accessible textbook will be an invaluable resource for instructors and students in the social sciences as well as professionals who work with people who experience some of these problems

Social Problems Joel M. Charon, Lee G. Vigilant, 2011 A unique and groundbreaking collection of fifty four articles organized in eleven thematic sections SOCIAL PROBLEMS READINGS WITH FOUR QUESTIONS Fourth Edition combines a rigorous structural conflict approach with a strong emphasis on the real life experiences of those impacted by social problems The articles include both classic and contemporary readings covering a wide range of issues in the United States and around the world The introductory article written by Joel M Charon introduces four questions that students are urged to apply throughout the reader What is the problem What makes the problem a social problem What causes the problem What can be done These questions give students a consistent sociological framework to help them analyze the readings and think critically about social problems The articles have been painstakingly selected to hold student interest while illuminating key topics most come from books and trade publications rather than dry academic journals As a whole the collection powerfully explores a wide range of contemporary social problems while providing the tools and context to help students think sociologically about the social problems around us

Contemporary Social Problems Achille Loria, 1911 Focus on Social Problems Mindy Stompler, Amanda M. Jungels, 2021 This is an undergraduate level reader for students taking courses in social problems A Reader's Guide to Modern British Drama Sanford Sternlicht, 2004-12-01 This book reveals the influences of modern history and psychology on British drama the all important influence of Irish dramatists like Wilde Shaw O Casey and Beckett the significance of the Independent Theatre of J T Grein and the early Royal Court Theatre the gay community's contribution to the British theater the powerful new feminist drama and the British festival theater A useful tool for readers wishing to know more about Britain's great dramatic tradition and vital contemporary theater for students pursuing drama studies and for libraries in need of an accessible reference work

The power and the glory Henry Kuttner, 2022-08-21 In The Power and the Glory Henry Kuttner weaves a gripping

narrative that examines the intricate interplay of ambition and morality within a dystopian landscape. The novel's literary style combines hard hitting prose with elements of science fiction and philosophical reflection, allowing Kuttner to explore themes of power, survival, and the human condition. Set against a backdrop of a decaying society, the story intricately portrays characters navigating a labyrinth of ethical dilemmas and the ramifications of their choices, making it both a thrilling and thought provoking read.

Henry Kuttner, a versatile writer of the early 20th century, was known for his contributions to the fields of science fiction and fantasy. His extensive collaboration with his wife C. L. Moore, as well as his own experiences during the tumultuous wartime years, greatly influenced his writing. Kuttner's keen observations of post-war society and personal struggles with identity and purpose lend an authentic depth to the characters and situations depicted in *The Power and the Glory*, reflecting his profound understanding of human nature and its complexities.

This compelling novel is recommended for readers who appreciate nuanced storytelling that challenges conventional moral frameworks. Fans of speculative fiction will find Kuttner's thoughtful exploration of power dynamics both relevant and resonant, making *The Power and the Glory* a must read for anyone seeking to engage with profound ethical questions in a vividly constructed universe.

In this enriched edition, we have carefully created added value for your reading experience. A succinct Introduction situates the work's timeless appeal and themes. The Synopsis outlines the central plot, highlighting key developments without spoiling critical twists. A detailed Historical Context immerses you in the era's events and influences that shaped the writing. A thorough Analysis dissects symbols, motifs, and character arcs to unearth underlying meanings. Reflection questions prompt you to engage personally with the work's messages, connecting them to modern life. Hand-picked Memorable Quotes shine a spotlight on moments of literary brilliance. Interactive footnotes clarify unusual references, historical allusions, and archaic phrases for an effortless, more informed read.

Re-visioning Historical Fiction for Young Readers Kim Wilson, 2011-06-15

This study is concerned with how readers are positioned to interpret the past in historical fiction for children and young adults. Looking at literature published within the last thirty to forty years, Wilson identifies and explores a prevalent trend for re-visioning and rewriting the past according to modern social and political ideological assumptions. Fiction within this genre, while concerned with the past at the level of content, is additionally concerned with present views of that historical past because of the future to which it is moving. Specific areas of discussion include the identification of a new sub-genre, Living history fiction; stories of Joan of Arc; historical fiction featuring agentic females; the very popular Scholastic Press historical journal series; fictions of war; and historical fiction featuring multicultural discourses. Wilson observes specific traits in historical fiction written for children, most notably how the notion of positive progress into the future is nuanced differently in this literature, in which the concept of progress from the past is inextricably linked to the protagonist's potential for agency and the realization of subjectivity. The genre consistently manifests a concern with identity construction that in turn informs and influences how a metanarrative of positive progress is played out. This book engages in a discussion of the functionality of the past within the

genre and offers an interpretative frame for the sifting out of the present from the past in historical fiction for young readers

Major American Social Problems Robert A. Dentler, 1967 Compilation of studies in contemporary sociology of the USA covers major social problems such as war and defence poverty racial discrimination rural development urban area problems of deviant behaviour juvenile delinquency mental health disorders trends in population expansion etc References
