International Relations of the Contemporary Middle East Tareq Y. Ismael, 1986 *The Arab World* Halim Barakat, 1993-10-14 This wide ranging examination of Arab society and culture offers a unique opportunity to know the Arab world from an Arab point of view Halim Barakat an expatriate Syrian who is both scholar and novelist emphasizes the dynamic changes and diverse patterns that have characterized the Middle East since the mid nineteenth century The Arab world is not one shaped by Islam nor one simply explained by reference to the sectarian conflicts of a mosaic society Instead Barakat reveals a society that is highly complex with many and various contending polarities It is a society in a state of becoming and change one whose social contradictions are at the root of the struggle to transcend dehumanizing conditions Arguing from a perspective that is both radical and critical Barakat is committed to the improvement of human conditions in the Arab world

Contemporary Arab Thought Elizabeth Suzanne Kassab, 2025-04-29 In the last third of the twentieth century the Arab intellectual and political scene polarized between totalizing doctrines nationalist Marxist and religious and radical critique Arab thinkers were reacting to the disenchanting experience of postindependence and a widespread sense of malaise as well as to authoritarianism intolerance injustice failed development and successive defeats by Israel The foundational account of these responses Contemporary Arab Thought illuminates the relationship between cultural and political critique in the work of major Arab thinkers Elizabeth Suzanne Kassab also connects Arab debates to the postcolonial issues of Latin America and Africa revealing the shared struggles of different regions Since its first publication in 2009 this book has stood as the foremost account of contemporary Arab debates on culture philosophy modernity tradition identity and liberation It is widely used in Middle Eastern studies courses and it has become a classic in the field of Arab intellectual history Contemporary Arab Thought now features an extensive new introduction that reconsiders post 1967 Arab intellectual history in light of the 2011 uprisings and the upheavals that have occurred over the intervening years Kassab critically reflects on the book s arguments and the responses it has provoked and she surveys the new preoccupations that have emerged in Arab debates since 2011 As crises again overtake the Middle East this landmark work continues to offer indispensable insight into the richness of contemporary Arab thought

Space Science and the Arab World Jörg Matthias Determann, 2018-01-29 When Sultan bin Salman left Earth on the shuttle Discovery in 1985 he became the first Arab first Muslim and first member of a royal family in space Twenty five years later the discovery of a planet 500 light years away by the Qatar Exoplanet Survey subsequently named Qatar 1b was evidence of the cutting edge space science projects taking place across the Middle East This book identifies the individuals institutions and national ideologies that enabled Arab astronomers and researchers to

gain support for space exploration when Middle East governments lacked interest Jorg Matthias Determann shows that the conquest of space became associated with national prestige security economic growth and the idea of an Arab renaissance more generally Equally important to this success were international collaborations to benefit from American and Soviet expertise and technology Arab scientists and officials had to commit to global governance of space and the common interests of humanity Challenging the view that the golden age of Arabic science and cosmopolitanism was situated in the medieval period Determann tells the story of the new discoveries and scientific collaborations taking place from the 19th century to the present day An innovative contribution to Middle East studies and history of science the book also appeals to increased business media and political interest in the Arab space industry *Who's who in the Arab World* ,1966 *The Middle East in World Politics* Tareq Y. Ismael,Naseer Hasan Aruri,1974 **Contemporary Architecture in the Arab States** Udo Kultermann,1999 Coupling case studies with over 100 never before seen illustrations this volume chronicles modern architectural developments in the nations of Egypt Iraq Morocco Algeria Tunisia Libya Syria Jordan Lebanon Saudi Arabia the Gulf States the United Arab Emirates Oman Yemen and Sudan All types of buildings are discussed from government offices and public spaces to houses of education and religion The featured examples include designs for both commercial and private client **BOOK JACKET** **Middle East Contemporary Survey** Bruce Maddy-Weitzman,2001 *Politics of the Modern Arab World* Laleh Khalili,2009 Covers the Arab world from Morocco to the borders of Iran with the focus primarily on the 20th Century By choosing a wide array of authors many of whom are from the region or from the non Anglophone world the full breadth of worldwide scholarship on the modern Arab world is on display **Bulletin of the School of Oriental Studies, London Institution** University of London. School of Oriental and African Studies,1923 **Journal of Mediterranean Studies** ,2003 *The Crescent in Crisis* Nabih Amin Faris,Muhammed Tawfik Husayn,1955 *The Crescent In Crisis* is a book that provides an interpretive study of the modern Arab world Written by Nabih Amin Faris the book delves into the political social and economic challenges that have plagued the Arab world in recent times The author examines the historical context of the Arab world tracing its roots to the Islamic Golden Age and the Ottoman Empire He then explores the factors that have contributed to the current crisis including colonialism authoritarianism and the failure of Arab nationalism Faris also analyzes the impact of external factors such as the Cold War the Gulf War and the War on Terror on the Arab world He argues that these events have exacerbated the crisis and created a sense of disillusionment among Arab people The book also examines the role of Islam in the Arab world exploring the tensions between traditional Islamic values and modernity Overall *The Crescent In Crisis* provides a comprehensive analysis of the challenges facing the Arab world today It offers insights into the historical political and cultural factors that have contributed to the crisis and provides a nuanced understanding of the complex issues at play The book is a must read for anyone interested in the Middle East international politics and global affairs This scarce antiquarian book is a facsimile reprint of the old original and may contain some

imperfections such as library marks and notations Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to their original work **The Arab World** Elizabeth Warnock Fernea,Robert A.

Fernea,1997-06-16 In an updated and expanded edition of their classic The Arab World Robert and Elizabeth Fernea revisit the Middle Eastern towns and cities they have known since the 1950s in light of the cataclysmic social and political upheavals that have occurred since the book s original publication The authors reveal the human face of the Arab world as they revisit and talk with newsmakers and colleagues old friends and new photos **Studies in Contemporary Arabic**

Poetry and Criticism Mounah Abdallah Khouri,1987 **Reaching for Power** Yitzhak Nakash,2011-10-30 As the world focuses on the conflict in Iraq the most important political players in that country today are not the Sunni insurgents Instead they are Iraq s Shi I majority part of the Middle East s ninety million Shi I Muslims who hold the key to the future of the region and the relations between Muslim and Western societies So contends Yitzhak Nakash one of the world s foremost experts on Shi ism With his characteristic verve and style Nakash traces the role of the Shi is in the struggle that is raging today among Muslims for the soul of Islam He shows that in contrast to the growing militancy among Sunni groups since the 1990s Shi is have shifted their focus from confrontation to accommodation with the West Constituting sixty percent of the population of Iraq they stand squarely at the center of the U S government s attempt to remake the Middle East and bring democracy to the region This groundbreaking book addresses the crucial importance of Shi is to the U S endeavor Yet it also alerts readers to the strong nationalist sentiments of Shi is underscoring the difficult challenge that the United States faces in attempting to impose a new order in the Middle East The book provides a comprehensive historical perspective on Shi ism beginning with the emergence of the movement during the seventh century continuing through its rise as a political force since the Iranian Islamic Revolution of 1978 79 and leading up to the Iraqi elections of January 2005 Drawing extensively on Arabic sources this comparative study highlights the reciprocal influences shaping the political development of Shi is in Iraq Saudi Arabia Bahrain and Lebanon as well as the impact of the revival of Shi ism on the larger Arab world The narrative concludes with an assessment of the risks and possibilities arising from the assertion of Shi I power in Iraq and from America s attempt to play an increasingly forceful role in the Middle East A landmark book and a work of remarkable scholarship Reaching for Power illuminates the Shi a resurgence amid the shifting geopolitics of the Middle East **Edited Works & Collections on the Middle East** ,1991
