Kennedy,2014-03 This Is A New Release Of The Original 1912 Edition **The Contest for California in 1861** Elijah Robinson Kennedy,2015-07-11 Excerpt from The Contest for California in 1861 How Colonel E D Baker Saved the Pacific States to the Union A Professor in one of our leading universities said a New York paper I received one day at my hotel in London I quote from memory certain that I do not quote literally

visiting Washington in one of the interesting rooms of the Capitol came upon a marble statue inscribed Baker Whereupon so the story ran this learned professor young I dare say probably familiar with the names of the heroes of the Peloponnesian War asked Who was Baker What did he do to get in here These questions prompted me to write this book But years before our learned professor asked his questions I had reflected that those of us who knew General Baker who came under the spell of his incomparable charm and who retain recollections of his power and influence and achievements are becoming few and if one of us is to enlighten the professor and others no better informed it must be done soon I wish some one better qualified than I had undertaken the task To write the history of an important episode is being a plain business man I will venture to use a business man s expression and say out of my line However I feel that what I have done though poorly would better be done poorly than not at all About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

[The Contest for California in 1861; How Colonel E. D.
