Continental Britons

German-Jewish Refugees
from Nazi Germany

Marion Berghahn

Continental Britons German Jewish Refugees From Nazi Germany

Panikos Panayi

Continental Britons German Jewish Refugees From Nazi Germany:

Continental Britons Marion Berghahn, 2007 Based on numerous in depth and personal interviews with members of three generations this is the first comprehensive study of German Jewish refugees who came to England in the 1930s The author addresses questions such as perceptions of Germany and Britain and attitudes towards Judaism On the basis of many case studies the author shows how the refugees adjusted often amazingly successfully to their situation in Britain While exploring the process of acculturation of the German Jews in Britain the author challenges received ideas about the process of Jewish assimilation in general and that of the Jews in Germany in particular and offers a new interpretation in the light of her own empirical data and of current anthropological theory German-Jewish Refugees in England Marion

Berghahn, 1984-06-18 **Jewish refugees and the British nursing profession** Jane Brooks, 2024-05-07 This book follows the lives of female Jewish refugees who fled Nazi persecution and became nurses Nursing was nominally a profession but with its poor pay and harsh discipline it was unpopular with British women In the years preceding the Second World War hospitals in Britain suffered chronic nurse staffing crises As the country faced inevitable war the Government and the profession's elite courted refugees as an antidote to the shortages but many hospitals refused to employ Continental Jews The book explores the changes in the refugees status and lives from the war years to the foundation of the National Health Service and to the latter decades of the twentieth century It places the refugees at the forefront of manoeuvres in nursing practice education and research at a time of social upheaval and alterations in the position of women **Germans in**

Britain Since 1500 Panikos Panayi, 1996-07-01 German speaking people have always lived either as temporary or as long term residents in the British Isles While the majority of the visitors arrived to pursue trade others came for a wide variety of reasons In the sixteenth century German reformers came to promote Protestantism In 1714 the Elector of Hanover came because he had inherited the crown In Victorian times Karl Marx wrote Das Kapital in the British Museum The nineteenth century was perhaps the highpoint in the history of German settlement with the establishment of widespread German communities and organisations The First World War and a combinations of official and unofficial hostility destroyed most of these communities During the interwar years both Nazis and Jewish refugees from Nazism entered the country Since the war professionals have formed the basis of the German community The present volume traces the history of German settlement through a series of essays designed to cover each period and to analyse specific aspects **Germans in Britain Since 1500** represents a unique history of an immigrant grouping in Britain over almost 500 years Political Exile and Exile Politics in

Britain after 1933, 2011-01-01 Political Exile and Exile Politics in Britain after 1933 brings together a number of scholarly essays that shed light on a hitherto neglected aspect of the experience of German and Austrian refugees in Britain their political activities in their country of refuge and how these were viewed and used by the British government and its Secret Service This volume does not claim to be exhaustive However it offers a range of case studies on various issues concerning

political exile and the possibility of the continuation of political engagement in exile even in the internment camps Most of the contributions in this volume are based on archival material that has never been used before possibly because like the MI5 files on Karl Otten which have only recently been declassified researchers have not been able to access them Predictably the majority of these essays show the political activities of men The efforts of women which constitute the focus of three contributions therefore are all the more noteworthy

German Migrant Historians in North America Karen

Hagemann, Konrad H. Jarausch, 2024-11-01 The migration experiences career paths and scholarship of historians born in Germany who started emigrating to North America in the 1950s have had a unique impact on the transatlantic practice of Central European History German Migrant Historians in North America analyzes the experiences of this postwar group of scholars and asks what informed their education and career choices and what motivated them to emigrate to North America The contributors reflect on how these migration experiences informed their own research and teaching and particularly discuss the more general development of the transatlantic exchange between German and American historians in the scholarship on Modern Central European History

We Built Up Our Lives Maxine S. Seller, 2001-08-30

Fearing an imminent Nazi invasion the British government interned 28 000 men and women of enemy nationality living in Britain in the spring of 1940 Most were Jewish refugees who having fled Nazi persecution were appalled to find themselves imprisoned as potential Nazi spies Using oral histories unpublished letters and memoirs artifacts and newspapers from the camps and government documents We Built Up Our Lives tells the compelling story of sixty three of these internees It is a seldom told part of the history of World War II and the Holocaust and a classic tale of human courage and resilience We Built Up Our Lives describes the survival mechanisms relied upon by the Jewish refugees Although the internees imprisoned in Britain the Isle of Man Canada and Australia were adequately housed and fed and rarely mistreated they were cut off from family friends school and work everything that had given meaning to their lives Resisting boredom anger and despair the internees made the best of a bad situation by creating education culture and community within the camps Before and after as well as during the internment in Nazi Germany and in Britain educational resources and social networks were essential to the refugees efforts to build up their lives Equally important were personal qualities of courage ingenuity assertiveness and resilience

German Immigrants in Britain During the 19th Century, 1815-1914 Panikos Panayi, 1995-06-05 For most of the nineteenth century Germans represented the largest continental immigrant population in Britain yet to date no study has concentrated on them They entered the country for a combination of religious political and economic reasons and established themselves in thriving immigrant communities Hostility towards them spread throughout the 1800s and escalated with the growth of Anglo German hostility in the period leading up to the outbreak of World War I This thoroughly researched study fills a gap in the modern history of Britain and the history of German immigrant communities It will be of interest to anyone wishing to learn more about Anglo German relations migration and ethnicity

German Jewish Rituals, Bodies, and

Citizenship Robin E. Judd,2000 **European Immigrants in Britain 1933-1950** Johannes-Dieter Steinert,Inge Weber-Newth,2003 No detailed description available for European Immigrants in Britain 1933 1950 Anglo-Jewish Bibliography, 1971-1990 Ruth Pauline Goldschmidt-Lehmann,Stephen W. Massil,Peter Shmuel Salinger,1992 The fifth volume in a series published since 1988 Lists books and articles mainly in English See the index for works on antisemitism

The Strange Case of Dora Fabian and Mathilde Wurm Charmian Brinson,1997 **Jews and Europe in the Twenty-first Century** Nick J. A. Lambert,2008 A collection of interviews with more than 90 prominent Jewish intellectuals politicians writers and scientists from across Western Europe Nick Lambert s penetrating interviews and analyses reveal their thoughts fears and hopes for the future **Preserving the Legacy of German Jewry** Christhard Hoffmann,2005

Out of the Third Reich Peter Alter,1998-12-31 In post war Britain there was a small but highly influential group of historians who excelled as academic teachers and who made significant contributions to British and international learning These people share one thing in common they all fled Hitler s evil regime in the 1930s In these autobiographical essays historians reflect on their lives their teaching and research and their role as brokers between Britain Germany and Austria

Remembering Refugees Antony Robin Jeremy Kushner,2006 Refugee crises are one of the gravest problems facing the modern world This book explores the paradox of why countries such as Britain pride themselves on their past treatment of refugees yet are suspicious and hostile towards asylum seekers trying to gain entry It explores the contemporary treatment and representation of refugees ranging from the Huguenots in the sixteenth to eighteenth centuries through to the many groups that have gained entry more recently Was the treatment of refugees such as Jews escaping Tsarist and later Nazi persecution as welcoming as politicians and others now make out Why have some groups been remembered positively while others have been forgotten **Freuds' War** Helen Fry,2009 Despite his worldwide reputation as the father of modern psychology Sigmund Freud s security in his native Vienna changed overnight when Hitler s forces annexed Austria on 12 March 1938 His books had already been burned across Germany and now he and his family were at immediate risk The Nazis carried out regular raids on Jewish families homes and the Freuds were no exception They suffered a period of house arrest and two months of uncertainty before finally securing papers for emigration to England and making a dramatic last minute escape Following their escape from Austria both Sigmund s son Martin and his grandson Walter enlisted in the British Forces going on to fight for Britain behind enemy lines in Austria Using previously unpublished family archives and photographs including correspondence and Sigmund Freud s diary Helen Fry opens a window into the Freuds family life both in pre War Vienna and during the Second World War in Britain with their homeland under the influence of the Nazis *Antisemitism: 1988-1990 (pt. 2.)* Susan Sarah Cohen,1997 *German Exiles* James MacPherson Ritchie,1997 Some seventy thousand or more refugees from National Socialism came to Britain from Germany Austria and Czechoslovakia and engaged in a wide range of cultural and political activities Professor Ritchie reveals the extraordinary vitality of these exile activities Professor

Ritchie has published widely on Expressionism and the Weimar Republic hence studies of the exile experience of artists and writers from this period figure prominently in this collection of his essays Other focuses of this work are women in exile in Britain poets dramatists and writers of prose The concluding essays expand the scope even further to include more recent European exiles From Dachau to D-Day Helen Fry, 2009 Willy Field was born Willy Hirschfeld in Bonn Germany The morning after Kristallnacht on 10 November 1938 he was arrested by the Gestapo and transported to Dachau concentration camp This fascinating new book details the horrendous experiences of a German Jew in the camp and how he survived to come to England as a refugee Shipped to Australia and interned as an enemy alien Willy nevertheless returned to Britain as one of the 10 000 volunteers for the British Forces and found himself on active service as a tank driver in the Royal Armoured Corps Three days after D Day Willy landed in France and saw front line fighting through France Belgium and the Netherlands He was the only survivor when his tank received a direct hit but after recovery he was given another tank and crossed the border into Germany with the allied troops Having been involved in the liberation of Hamburg Willy drove his tank past Winston Churchill in the Victory Parade in Berlin in July 1945
