The Continuity of the Bible. The Patriarchs. [With Maps.]. Thomas Linton LEISHMAN, 1968 **The Christian Science Journal** ,1969 *Story of the Old Testament Simply Told* Florence E. Waggener, 1979-06 *Christian Science Sentinel* ,1973 **The Biblical Mothers Deliver** Nancy Klancher, 2022-10-04 What kind of mother must a woman be to give birth to chosen or saved peoples The many stories of biblical mothers found in the Hebrew Bible and New Testament are deeply concerned with this question and answer it in surprising and diverse ways From Sarah Abraham s wife to Mary the mother of Jesus each mother embodies the type of woman her culture thought she had to be to produce a holy people set apart by God The larger question of Klancher s book asks to what end What does it mean when different types of mothers are used to establish the value of some people over others Her book explores this question and asks how the mothers stories and their interpretation over the centuries have authorized diverse logics of sexual and racial difference that we live with today

Thompson, 2008-08-05 The Jewish people s historical claims to a small area of land bordering the eastern Mediterranean are not only the foundation for the modern state of Israel they are also at the very heart of Judeo Christian belief Yet in *The Mythic Past* Thomas Thompson argues that such claims are grounded in literary myth not history Among the author s startling conclusions are these There never was a united monarch of Israel in biblical times We can no longer talk about a time of the Patriarchs The entire notion of Israel and its history is a literary fiction *The Mythic Past* provides refreshing new ways to read the Old Testament as the great literature it was meant to be At the same time its controversial conclusions about Jewish history are sure to prove incendiary in a worldwide debate about one of the world s seminal texts and one of its most bitterly contested regions *Haunted by Paradise* James Bernard Murphy, 2021-01-07 The Bible today is weaponized by both liberals and conservatives side cherry picking their favorite verses Have you ever wondered why the Bible lends itself to supporting contradictory positions in moral debates why even the devil quotes Scripture If so you will enjoy this book *Haunted by Paradise* reveals the unity and coherence of the Bible in the light of paradise The Bible begins in Eden and ends in the new Jerusalem in between the Bible is haunted by the memory of paradise lost and the hope for paradise regained With paradise as the interpretive key Murphy unlocks biblical ethics He shows that there is no Old Testament ethics or New Testament ethics only a unified biblical ethics In sixteen short chapters this book addresses urgent moral questions about issues ranging from capital punishment to war including divine justice homosexuality marriage nature racism patriarchy and work In each chapter Murphy shows how the Bible negotiates the tension between divine ideals and human realities

academic approach but simple language the author explains the biblical monist understanding of human being He takes the
biblical experience of death and resurrection to point out his arguments This book uncovers the ancient problem of the
continuation of personal identity from life prior to death on to resurrection It also provides a fresh biblical approach from an
anthropological and biblical perspective to the problem of what being human really is Those who enjoy traveling through the
