Macmillan Dictionary of Religion Michael Pye, 1993-11-19 A one volume dictionary of religion based on concepts drawn partly from the various religious traditions and partly from the historical and reflective study of religion as a modern academic discipline As a dictionary rather than an encyclopedia there will be concise explanations on a very large number of special terms rather than lengthy essays on selected subjects Entries will include definitions of terms from various religious traditions which have now entered into current English usage as well as a wide variety of semi technical terms from related fields such as philosophy sociology and social anthropology *Recent Reference Books in Religion* William M. Johnston, 2014-01-27 *Recent Reference Books in Religion* provides incisive summaries and evaluations of more than 350 contemporary reference works on religious traditions ancient and modern that have been published in English French and German For maximum usefulness to readers Professor Johnston has broadly defined religion to include not just the world religion of Christianity Judaism Islam Hinduism and Buddhism but also such alternative approaches as mythology folklore and the philosophy of ethics Each entry analyzing a particular work includes full bibliographic details as well as commentary outstanding articles and contributors are highlighted strengths and weaknesses are carefully noted and weighed Readers are directed to volumes whose strengths and weaknesses are carefully noted and weighed Readers are directed to volumes whose strengths complement the weaknesses of others An indispensable guide in any religious studies collection *Recent Reference Books in Religion* 2nd Edition includes works published through the end of 1997 It also includes a Glossary that describes types and functions of reference books and five indexes Titles Authors Topics Persons and Places **A Dictionary of Religion and Ethics** Shailer Mathews, Gerald Birney Smith, 1921 **A Manual for Writers of Research Papers, Theses, and Dissertations, Ninth Edition** Kate L.
