*Contours of Old Testament Theology* Bernhard W. Anderson, 2011-02-23 In this masterwork one of America's leading biblical scholars takes a fresh look at the theology of the Old Testament Anderson cuts his own path and provides us with creative new insights on all the major sections of the Old Testament He illuminates the nuances of the various covenants and theological shifts in a highly readable style His conversation partners include the formative contributors from both the Christian community Eichrodt von Rad Childs and the Jewish community Heschel Herberg Levenson while interacting with the most recent developments in the field especially Walter Brueggemann's *Theology of the Old Testament* *Contours of Old Testament theology* Bernhard W. ; Bishop Anderson (Steven), 1999 *The Old Testament in the Life of God's People* Jon Isaak, 2009-06-30 This book celebrates the contributions to Old Testament theology of Elmer A Martens President and Professor of Old Testament at Mennonite Brethren Biblical Seminary Fresno California both positions now Emeritus It includes 3 essays written by Martens himself as well as 15 others written by his former students colleagues friends and even one of his professors The essays are clustered around three topics Christians use of the Old Testament aligning God's people with God's call for justice and addressing the issue of land in the life of God's people each of which reflects an area of special interest to Martens A biographical sketch a list of the honoree's varied publications and indexes are included Martens has had a productive career as teacher author and preacher a career spanning almost six decades and five continents After 40 years of seminary teaching Elmer is known to many as professor He taught his signature class Old Testament theology from 1968 to 2004 at Mennonite Brethren Biblical Seminary shaping an entire generation of preachers and Bible teachers His Old Testament theology textbook *God's Design* now in its third edition continues to be used at the seminary as well as in translation in numerous other schools around the world **Old Testament Theology** Robin Routledge, 2020-05-21 Numerous useful books on Old Testament theology are now available However they often give too much information or too little Some can seem large and daunting to the ordinary student or pastor and because of their layout information may be hard to access Others take a more introductory approach and do not deal with many of the theological issues and questions that the Old Testament raises Robin Routledge's aim is to bridge this gap He provides a substantial overview of the central issues and themes in Old Testament theology in the main body of the text with more detailed discussion and references for further reading in the footnotes His purpose is to examine the theological significance of the various texts in their wider canonical context noting unity and coherence within the Old Testament and to some extent between the Old and New Testaments whilst also being aware of diversity A brief outline of the relationship between exegesis and biblical theology within the overall task of interpreting and applying biblical material is given in the first chapter His hope as a Christian minister is that while this volume has grown out of a teaching context and is intended for students it will also be of benefit to others who want to take the theological content of the Old Testament seriously and to apply its message to the life and

ministry of the church today      *Old Testament Theology* Ben C. PUBLISHER DESCRIPTION OF VOL 3      **Remembering the Covenants in Song** Young-Sam Won, 2019-08-20 In biblical and theological studies fresh perspectives and novel approaches can breathe new life into familiar subjects Remembering the Covenants in Song reconsiders the Abrahamic and Mosaic covenant relationship through the unique biblical and canonical lens of a postexilic song In Psalm 105 the psalmist s intriguing intertextual engagement with both of Israel s great covenant traditions provides a rare glimpse into the covenant understanding of a postexilic biblical writer interacting with the Torah Remembering the Covenants in Song entails an intertextual study of Psalm 105 that brings the psalmist s rhetorical design and covenant references into a dialogue with the Torah s seminal covenant texts The examination of the psalmist s use of covenant references and allusions represents an innovative approach to assessing the rhetorical significance of intertextuality in biblical writings      The Flowering of Old Testament Theology Ben C.
