Contract Killer:

Contract Killer William Hoffman, William S. Hoffman, Lake Headly, 1994 He knows where Jimmy Hoffa is buried and who killed him but that's not all Now Donald Tony the Greek Frankos a loan shark and hit man for the mob breaks his 30 year oath of silence to tell all As featured on Entertainment Tonight and Good Morning America 8 pages of photos **Gangland** James Morton, 2006-09-07 The realm of the contract killer is a murky and murderous underworld where the price for the removal of a top villain is 100 000 A world where the killers range from Mafia to millionaires from FBI informants to ordinary housewives where the methods range from garroting to shooting induced overdoses to burning Mostly the bodies are never found Sometimes they're made an example of tied to juke boxes or left on street corners as examples In the latest addition to his Gangland series James Morton lifts the lid on the hidden world of the contract killer Who are these people Where can they be found How do the best of them commit untraceable crimes Is the female more deadly than the male And how true is it that the FBI the police and others organisations devoted to solving crime have aided abetted and even instigated contracts to kill

The Ice Man Philip Carlo, 2009-04-28 Carlo presents a harrowing account of Richard Kuklinski a seemingly ordinary husband and father who was also a cold blooded killer for hire the man the Mafia called on when they wanted a special kind of hit Martin's Press **Contract Killing in the Information Age** Jason Ray Forbus, 2017-12-20 Everything there is to know about contract killing in a book that covers the mythical early origins of murder as a profession to present day availability of hit men on the open market A personal vendetta or self driven interests are typical motives for pulling the trigger In recent years however crime records have seen a staggering increase in the number of cases involving hired guns This book explores why and how the phenomenon is growing to threaten all strata of a highly destabilized society

Organized Crime Frank Shanty, Patit Paban Mishra, 2007-09-24 This fascinating work is a two volume guide to the shadow world the critical issues and the global reach of organized crime Despite its impact on international security and the world economy organized crime is an unusual topic for a reference book Difficult to research the high profit high risk subculture of drug lords diamond smugglers and sex slavers is rarely investigated by scholars **Organized Crime An International Encyclopedia** ventures behind the scenes into this hazardous territory In the first volume expert contributors offer a global perspective on issues such as weapons and arms trafficking high tech and cyber crimes the future of organized crime and the connection between organized crime and armed conflicts The second volume consists entirely of primary documents national and international laws and treaties that reflect the international community's many attempts largely ineffective to combat organized crime Together the two volumes provide students and general readers with a road map to a shadow world with far reaching impact on the world we know **Female Serial Killers** Peter Vronsky, 2007-08-07 In this fascinating book Peter Vronsky exposes and investigates the phenomenon of women who kill and the political economic social and sexual implications buried with each victim How many of us are even remotely prepared to imagine our mothers daughters sisters

or grandmothers as fiendish killers For centuries we have been conditioned to think of serial murderers and psychopathic predators as men with women registering low on our paranoia radar Perhaps that's why so many trusting husbands lovers family friends and children have fallen prey to the female monster From history's earliest recorded cases of homicidal females to Irma Grese the Nazi Beast of Belsen from Britain's notorious child slayer Myra Hindley to Honeymoon Killer Martha Beck to the sensational cult of Aileen Wournos the first female serial killer as celebrity to cult killers homicidal missionaries and our pop culture fascination with the sexy femme fatale Vronsky not only challenges our ordinary standards of good and evil but also defies our basic accepted perceptions of gender role and identity INCLUDES PHOTOGRAPHS

Contract Does street justice really exist Just think about it for a minute Who do you turn to when justice has failed The underworld settles its disputes through contracts If you get out of line a contract for murder is taken out There are exceptions to the rules Some criminals hide amongst ordinary people and the underworld comes looking for them You are about to witness four tales of street justice that will have you rooting for the killer You don t think this is possible When a pedophile serial killer and others escape justice it s time to call Jack Killer If you live in London you never want a visit from Jack He lives in Brixton and has been quietly cleaning up the streets for years Some of the most heinous criminals to walk the earth have been killed by Jack If you let him tell it Jack believes that he s doing God s work On the other hand Father Patrick believes Jack is a sick maniac who confesses his crimes to him for forgiveness With each confession the two of them go deeper into a world neither of them want to go
