[How to Easily Write Effective E-mails in English](#) Fiona E.

Campbell,2013-03-17 Working at an international level often means having to communicate in a foreign language how much difficulty and stress does this create in your daily life Writing effective e mails in our native language is challenging enough the difficulty in another language is obviously magnified The quantity of time we spend writing e mails in a foreign language often exceeds the quality of the message we actually send We all know that it takes twice as long and even longer to write

something in another language don't we I know well I can assure you it is the same for me in Italian No matter how fluent we are in a second language we always worry about embarrassing ourselves and not giving our usual professional image when we communicate to our customers and business in a language that isn't ours One of the most time consuming yet important tasks that we have to do each day is to go through our inboxes that overflow with messages that require responses urgent and non Precious time is taken away from the activities and results we have to produce while we worry and feel frustrated about making mistakes creating misunderstandings and not being able to express ourselves in the same way as we can in our own language With the amount of e-mails we have to deal with on a daily basis even seemingly unimportant e-mails become much bigger obstacles than they should be All this frustration leads us to build up even more stress in our work Learning to write in English however does not have to be painful and stressful This book has been specifically created with you in mind It aims to help you to become more competent and confident in writing e-mails in English have at your disposal all the basic key expressions and phrases you'll need express yourself clearly simply and concisely write organized focused and effective e-mails avoid writing unnecessary e-mails obtain the results information or action you require more effectively and promptly This practical and informative book offers indispensable guidance for writing simple short and organized e-mails in English It is full of useful and valuable information and advice on e-mail communication and structure It contains lots of essential formal and informal functional phrases and expressions in English It consists of five modules each one focusing on different components and structure of an email key functional language phrasal verbs and useful and practical activities have been incorporated to help you immediately repeat practice and consolidate the language and concepts introduced in each module There are over 34 practical activities for you to complete and lots of practical rules for you to have available whenever you need them This e-workbook offers you structure and a 7 point framework to follow 1 identify your audience 2 identify the purpose of your e-mail 3 write a suitable subject line 4 select an appropriate greeting and opening phrase 5 say why you are writing 6 select an appropriate closing phrase and sign off 7 check your e-mail for errors and style then push the send button It's as simple as this Obviously you have to add the relative personal content time dates official data etc I can't give you this information but along with checklists sample e-mails useful reference data and punctuation and spelling tools you have everything you'll need in order to be able to easily write effective and focused e-mails in English Finally no more stress
