*Making Your Website Work 2: 100 More Copy & Design Tweaks for Smart Business Owners* Gill Andrews, 2025-07-28 More actionable tips to help you build a website that actually works. AI tools make it easier than ever to start writing. But it's still your job as a smart business owner to understand what good copy and web design look like to make sure the words and layouts you end up with on your site will resonate with your prospects. This is the second book in the Making Your Website Work series, created after the first volume received tons of positive feedback from readers who called it one of the most useful books and a trusted advisor they kept coming back to. If you're looking to build a website that grows your business without getting a marketing degree or slogging through vague theoretic advice, you're in the right place. This book does NOT teach you every copywriting formula, make you memorize design rules, or ramble on about theory. Instead, it dives into real website problems that service providers, freelancers, and big companies alike actually face and shows you how to fix them with practical tips. Among other things, you'll learn: The 1 thing on your website you need to fix ASAP. How to spot and fix a weak unique value proposition. A 60-second change that turns your copy from meh to wow. A fail-proof way to give your message a solid structure. How to tell if your web page needs to be redesigned. What readers say about Making Your Website Work vol 1. This is the first book I finished related to this topic. Totally worth it. I find myself going to the book like one would go to a trusted advisor. Do yourself a favor and get it. Very easy to read with lots of tips that you can apply immediately. Readable and extremely useful book for anyone doing their own website design and copy. If you're looking to create or update your site, look no further; this book will make it very easy for you. Who is this book for? This book is NOT for you if you sell products, not services. These tips are for service provider websites, freelancers, consultancies, agencies, contractors, etc. Your

website is already attracting a decent amount of leads If that s the case a proper professional audit is the next best step This book IS for you if you re 1 A business owner who manages your own website You ll learn to write more effective copy and avoid design choices that hurt your message 2 A business owner who is planning to get someone to create your website for them be it a human copywriter a web designer agency or a generative AI tool like ChatGPT You ll learn how to spot ineffective copy and sloppy design and how to give your human and or robot helper clear instructions to improve it so your website actually converts 3 A copywriter looking to sharpen your skills and protect your words from bad design You ll learn how to spot issues and make a solid case to clients and designers 4 A web designer who wants to build sites that not only look good but actually convert

### FAQs About Easy Ai Website Builder Tips For Freelance Writers Books

**What is a Easy Ai Website Builder Tips For Freelance Writers PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Easy Ai Website Builder Tips For Freelance Writers PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Easy Ai Website Builder Tips For Freelance Writers PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Easy Ai Website Builder Tips For Freelance Writers PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Easy Ai Website Builder Tips For Freelance Writers PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
