As Public as Possible David I. Backer, 2025-12-02 A witty and provocative treatise on the financial policies we ll need to make our public schools work for all children From the anti CRT panic to efforts to divert tax dollars to charter schools the right wing attack on education has cut deep In response millions of Americans have rallied to defend their cherished public schools But this incisive book asks whether choosing between our embattled status quo and the stingy privatized vision of the right is the only path forward In As Public as Possible education expert David I Backer argues for going on the offensive by radically expanding the very notion of the public in our public schools Helping us to imagine a more just and equitable future As Public as Possible proposes a concrete set of financial policies aimed at providing a high quality and truly public education for all Americans regardless of wealth and race With witty and provocative prose Backer shows how we can decouple school funding from property tax revenue evening out inequalities across districts by distributing resources according to need He argues for direct federal grants instead of the

predations of municipal debt markets And he offers eye opening examples spanning the past and present from the former Yugoslavia to contemporary Philadelphia which help us to imagine a radically different way of financing the education of all of our children **The New York Times Guide to Reference Materials** Mona McCormick,1985 **Teaching, Writing, Learning** Canadian Council of Teachers of English,1981 **Wired TV** Denise Mann,2014-02-11 This collection looks at the post network television industry s heady experiments with new forms of interactive storytelling or wired TV that took place from 2005 to 2010 as the networks responded to the introduction of broadband into the majority of homes and the proliferation of popular participatory Web 2 0 companies like Facebook YouTube and Twitter Contributors address a wide range of issues from the networks sporadic efforts to engage fans using transmedia storytelling to the production inefficiencies that continue to dog network television to the impact of multimedia convergence and multinational corporate conglomeration on entrepreneurial creativity With essays from such top scholars as Henry Jenkins John T Caldwell and Jonathan Gray and from new and exciting voices emerging in this field Wired TV elucidates the myriad new digital threats and the equal number of digital opportunities that have become part and parcel of today s post network era Readers will quickly recognize the familiar television franchises on which the contributors focus including Lost The Office Entourage Battlestar Gallactica The L Word and Heroes in order to reveal their impact on an industry in transition While it is not easy for vast bureaucracies to change course executives from key network divisions engaged in an unprecedented period of innovation and collaboration with four important groups members of the Hollywood creative community who wanted to expand television s storytelling worlds and marketing capabilities by incorporating social media members of the Silicon Valley tech community who were keen to rethink television distribution for the digital era members of the Madison Avenue advertising community who were eager to rethink ad supported content and fans who were enthusiastic and willing to use social media story extensions to proselytize on behalf of a favorite network series In the aftermath of the lengthy Writers Guild of America strike of 2007 2008 the networks clamped down on such collaborations and began to reclaim control over their operations locking themselves back into an aging system of interconnected bureaucracies entrenched hierarchies and traditional partners from the past What s next for the future of the television industry Stay tuned or at least online Contributors Vincent Brook Will Brooker John T Caldwell M J Clarke Jonathan Gray Henry Jenkins Derek Johnson Robert V Kozinets Denise Mann Katynka Z Mart nez and Julie Levin Russo *Sonic Rebellions* Wanda Canton,2024-04-29 *Sonic Rebellions* combines theory and practice to consider contemporary uses of sound in the context of politics philosophy and protest by exploring the relationship between sound and social justice with particular attention to sonic methodologies not necessarily conceptualised or practiced in traditional understandings of activism An edited collection written by artists academics and activists many of the authors have multidimensional experiences as practitioners themselves and readers will benefit from never before published doctoral and community projects and innovative audio based interpretations of social

issues today Chapters cover the use of soundscapes rap theatre social media protest and song in application to contemporary socio political issues such as gentrification neoliberalism criminalisation democracy and migrant rights Sonic Rebellions looks to encourage readers to become or consider how they are Sonic Rebels themselves by developing their own practices and reflections in tandem to continue the conversation as to how sound permeates our sociopolitical lives This is an essential resource for those interested in how sound can change the world including undergraduates and postgraduates from across the social sciences and humanities scholars and instructors of sound studies and sound production as well as activists artists and community organisers
