**Intelligence and Human Values in Business Management: Balancing Technology, Ethics, and Innovation** Ms.

Jaismeen Kanwal, Ms. Karamjit Kaur, 2025-11-25      *Contract Law and the Legislature* TT Arvind, Jenny Steele, 2020-08-06

This volume revisits some of the key debates about the nature and shape of contract law in light of the impact that statutes have had on its development. With contributions from leading contract law scholars, it fills a significant gap in existing theoretical and doctrinal analyses of contract law which rely primarily on cases to put forward accounts of the general principles and structure of contract law. Statutory rules are typically seen as being specific instances of legal regulation that carve out exceptions to these general principles for specific reasons of policy. This treatment of these rules has resulted in an incomplete understanding of the nature of contract law and the principles that underpin it. By drawing specifically on contract statutes, the volume produces a more complete picture of modern contract law. A companion to the ground-breaking *Tort Law and the Legislature*, *Common Law Statute and the Dynamics of Legal Change* (Hart Publishing, 2012), this collection will have a significant impact on the study of contract law.      *The Keystone*, 1929      **S.A.M.
