The mysterious Instagram algorithm

While we'll never know exactly how Instagram has weighted the various data points that they put into their algorithm, we do know that Instagram's back-end technology now focuses on relevancy, serving up the posts that are most likely to relate to certain users based on their activity on the site. So every time a user clicks through a post or spends a certain amount of time looking at a certain influencer, Instagram is capturing that data in some way and building it into their engine to ensure that posts that users won't care about are less likely to show up in their feed. We do know, however, that Instagram is looking at the following:

- Timely content:** This is all about recency, meaning if a user hasn't logged in for a while, they won't have to scroll through outdated and no longer relevant posts. They'll be shown timely content that matters to them.
- Interest:** This is really the secret sauce, as Instagram is paying attention and will serve content that it believes the user will be interested in.
- Relationships:** Instagram knows what photos users tag and where they comment. So if a user has interacted in some way with certain brands in the past, they are far more likely to be served content from that brand or similar brands in the future.

For marketers, this is a great thing. It means that as Instagram learns more about your brand, your posts and advertisements are more likely to get in front of your niche or target audience.

A few notes about Instagram Shopping

With the release of Instagram Shopping in late 2016, Instagram literally turned their platform into an online marketplace. While it is still a common practice to include website links to your business site and even to a product page, now it is possible to allow the customer to transact directly on the Instagram platform. For businesses that want to enable the Shopping capability, they need to meet the following requirements:

- You must have an Instagram business profile.
- That business profile needs to be connected to a Facebook catalog.
- Your company's registered headquarters location must be located in one of the Instagram-approved countries.
- Items for sale must be physical goods that comply with the trading guideline and terms of use set forth by Instagram.

As this Instagram Marketing Guide is intended as a resource for those getting started with Instagram marketing, we will not be providing a deep dive of the Instagram Shopping capability. Here is a [Preview of What You Will Get](#).

5 Monetizing Your Brand

Turning your brand into a source of income is often the ultimate goal. The book explores various monetization strategies from affiliate marketing to creating your own products and services. You'll learn how to create multiple revenue streams and sustain your brand financially.

Example Solutions from the Book:

Problem: Not knowing how to start building a personal brand.

Solution: The book's initial chapters focus on self-discovery exercises and help you identify your unique strengths and passions. These exercises guide you in creating a solid foundation for your brand by clearly defining what sets you apart from others.

Problem: Struggling to create engaging content consistently.

Solution: The book introduces the concept of content pillars—key themes that your content will revolve around. By establishing these pillars, you'll never run out of ideas and ensure your content remains relevant and engaging.

The book also provides templates and tools for content planning, making consistency easier to achieve.

Problem: Overwhelmed by multiple social media platforms.

Solution: Instead of spreading yourself too thin, the book helps you identify which platforms best align with your brand and audience. You'll learn to create platform-specific strategies, maximizing your impact on each one without feeling overwhelmed.

Problem: Low engagement and audience growth.

Solution: The book offers techniques to boost engagement through interactive content, polls, Q&A, and more. It's a toolkit filled with actionable insights, expert advice, and practical examples.

Imagine transforming your online presence, attracting opportunities, and turning your passion into profit. This book empowers you to take control of your personal brand and make a lasting impact.

Instagram Marketing Jack Sanchez, 2018-11-13

A lot of brands have started to use Instagram as a me-too strategy so that they cover all bases on social media. In their hurry to jump on the Instagram bandwagon, most brands don't make the effort to understand and utilize this platform to its fullest as a means of marketing. The lack of interesting content prevents brands from delivering their message. A lot of brands are unable to market their products using visual media because they are unable to create relevant and suitable content at the pace at which Instagram moves. When compared to other social media platforms like Facebook, Instagram is still relatively new. It was launched in 2010 and over the years it has managed to become one of the most widely used social networking platforms. It has over 800 million active monthly users, and this number is growing every day. This platform is quite popular with the millennials and the Gen Z users. Now that visual content

has gained traction in marketing and with the rapid improvement in mobile connectivity Instagram is perfect for marketing. Marketers need to learn to become visual storytellers and artists on Instagram to communicate effectively with consumers. It's important to combine elements of storytelling art and strategy to develop content helping brands connect with consumers on Instagram through a clear message. When a marketer manages to do all this they generate great results from marketing on Instagram. In this guide you will learn everything you need about Instagram marketing from creating an Instagram page to creating compelling content to advertising on Instagram and tips to increase the efficiency of the marketing campaign. This is the perfect book if you want to leverage the power of Instagram. **Instagram Influencer Secrets** Charlotte

Sterling, 2019-04-05. **WARNING DO NOT READ THIS BOOK IF YOU HATE MONEY**. Want to turn your Instagram followers into DOLLARS? Are you looking to build your business on Instagram and NEED the best strategy to get started? Keep on reading. **Instagram Influencer Secrets** is NOT going to tell you to purchase a following or to use silly scam accounts to gain bot followers. Why? Because none of those will actually make you a REAL influencer, especially one who is going to be making money. An Influencer is a title you need to achieve. You need to earn that title because that's when you know your audience BELIEVES in you and whatever you have to say they will listen. Okay, Instagram marketing. Got it. But where the hell do I even start? What hashtags do I use? What photos should I be sharing? Should I go follow everyone to get started? What time do I post? Do I respond to all comments? Why do some people have emails and addresses and I can't do that? If you're asking yourself all these questions, good, you're taking steps in the right direction. This isn't another crypto currency bandwagon you are joining. It's time you join this community of businesses who have chosen to go above and beyond traditional marketing techniques to capture a whole new audience. There is a goldmine of opportunity sitting in front of you and I'm going to show you how to mine it. In this book you'll learn: How to create the OPTIMAL Instagram handle and username. The 1 MOST IMPORTANT thing you need before you start your Instagram journey and it's not your profile photo. The secrets of the perfect customer profile and where to find them. How to target customers who WANT to purchase and WILL purchase. The secret behind the Instagram Algorithm and how you can take advantage of it for your business. Why you should NOT just post as often as possible on Instagram. The 5 marketing campaigns you need to run on Instagram that will ALWAYS convert 10 steps to create the perfect Instagram post. How to capture an audience you don't have then convert them into customers. Videos or Instagram Stories? Which one converts better?
