Subsidies to Chinese Industry Usha C.V. Haley, George T. Haley, 2013-03-27 Government subsidies have contributed to China's success as manufacturer and exporter in capital intensive industries. China's state capitalist regime uses subsidies to stabilize and create common understandings of markets among governments and firms. This book also covers government policies and regulation on subsidies broadly focusing on domestic consumption, antidumping and countervailing duties and domestic production, indigenous innovation.

The New Advertising Valerie K. Jones, Ruth E. Brown Ph.D., Ming Wang, 2016-09-19 The era of big data has revolutionized many industries including advertising. This is a valuable resource that supplies current authoritative and inspiring information about and examples of current and forward looking theories and practices in advertising. The New Advertising: Branding, Content, and Consumer Relationships in the Data-Driven Social Media Era supplies a breadth of information on the theories and practices of new advertising from its origins nearly a quarter of a century ago through its evolution to current uses with an eye to the future. Unlike most other books that focus on one niche topic, this two-volume set investigates the overall discipline of advertising in the modern context. It sheds light on significant areas of change against the backdrop of digital data collection and use. The key topics of branding, content, interaction, engagement, big data, and measurement are addressed from multiple perspectives. With contributions from experts in academia as well as the advertising and marketing industries, this unique set is an indispensable resource that is focused specifically on new approaches to and forms of advertising. Readers will gain an understanding of the distinct shifts that have taken place in advertising. They will be able to build their knowledge on frameworks for navigating and capitalizing on today's fragmented, consumer-focused digital media landscape and they will be prepared for what the future of advertising will likely bring.

Social Media Strategy Keith A. Quesenberry, 2020-08-14 This book is a blueprint for the practice of marketing communications, advertising, and public relations in a digital world where the consumer has taken control.
