technology and the internet. Such people generally have minimal material possessions and work remotely in temporary housing, hotels, cafes, public libraries, co-working spaces, or recreational vehicles using Wi-Fi, smartphones, or mobile hotspots to access the Internet. The majority of digital nomads describe themselves as programmers, content creators, designers, or developers. Some digital nomads are perpetual travellers, while others only maintain the lifestyle for a short period of time. While some nomads travel through multiple countries, others remain in one area, and some may choose to travel while living in a vehicle in a practice often known as van dwelling.
