Cheap Hybrid Work Schedule Near Me:

Work Less Jon Peirce, 2024-01-02 You can't have a healthy economy with an unhealthy work force *Work Less* proposes ways to reduce work hours and keep workers happier healthier and more productive Recent years have revealed just how stressed out many workers are While the trend to longer hours has been developing for several decades the trend's effects have been aggravated during the pandemic by the growing use of Zoom and other new technologies for meetings with clients customers and co workers Exhausted and fed up today's workers are starting to insist on shorter hours and greater flexibility as to where they do their work There is growing consensus that the forty hour week the norm since the 1940s has outlived its usefulness And there is an urgent need for new work schedules that adequately reflect the far greater intensity of work today as well as the greater family demands on a labour force made up of almost fifty percent women who bear the brunt of domestic duties *Work Less* offers practical scheduling suggestions to employers and workers and numerous policy options for government policy makers to improve working conditions *The Working Homemaker* Charity Gibson, 2024-09-30

Homemaking is about values and priorities rather than job status It's time to ditch the notion that women who work outside the home are not homemakers and redefine homemaking as nurturing relationships and cultivating a lifestyle that allows for flourishing within the home as well as eventually extending beyond Working Christian mamas can nurture thriving homelives for their families by cultivating relationships setting healthy routines and embracing simplicity to practice kingdom living A woman's homelife and work life can be molded to honor God our families and our employers when homemaking is valued and prioritized *The Working Homemaker* encourages countercultural simplicity relationships healthy household rhythms margin in schedules and if possible work flexibility Homemaking is not just what we do at home but also the choices we make regarding being away from home that allow for our time at home to be lifegiving Who is this book for Working moms Moms who are considering employment Working women who are considering motherhood Anyone else who wants to better understand and support working moms *Exchange for the Flower, Nursery and Garden Center Trade*, 1925
