## **Colonel John Scott Of Long Island 1634 1696:**

**Colonel John Scott of Long Island, (1634?)-1696** Wilbur Cortez Abbott, 1918      **Colonel John Scott** Wilbur C. Abbott, 2017-11-20 Excerpt from *Colonel John Scott Of Long Island 1634 1696 The Life and Strange Surprising Adventures of John Scot commonly called Colonel Scott his early Experiences in America and the West Indies his Career at Court his Fortunes and Misfortunes as a Soldier his Exploits as a Spy Informer and Murderer his Disgrace and Death with some Notice of his Writings as Royal Geographer and of the Glorious Restoration of his Reputation to gether with Notes on his Fame as an Historian* No one would have believed that it was less a work of fiction than *Captain Jack* or *Moll Flanders* every one would have recognized it as peculiarly typical of the picaresque character in which he and his contemporaries delighted That the tale which follows happens to be true however far it falls short of Defoe's art detracts in no way from its curious interest and adds to its value in explaining certain sides of late seventeenth century English and colonial history Colonel Scott with all of his impossibilities was not only a very real man and one of the most picturesque and far wandering scoundrels of his time but he was an admirable representative of a not inconsiderable class of men who contributed something of importance and a great deal of color to the affairs of his generation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **Colonel John Scott of Long Island 1634?-1696** Wilbur Cortez Abbott, 1918      **Colonel John Scott of Long Island 1634 - 1696**, 2001 John Scott was born in about 1634 in England He emigrated as a young man and lived in Massachusetts and New York He was a soldier spy informer royal geographer and historian      **COLONEL JOHN SCOTT OF LONG ISL** Wilbur Cortez 1869-1947 Abbott, 2016-08-25      *Colonel John Scott of Long Island* Wilbur C. Abbott, 2017-11-11 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting

titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates

**Colonel John Scott of Long Island, 1634?-1696 - Primary Source Edition** Wilbur Cortez Abbott,2014-02-13 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book

**Colonel John Scott** Wilbur Cortez Abbott,2007-10 PREFACE THE Author of this very practical treatise on Scotch Loch Fishing desires clearly that it may be of use to all who had it He does not pretend to have written anything new but to have attempted to put what he has to say in as readable a form as possible Everything in the way of the history and habits of fish has been studiously avoided and technicalities have been used as sparingly as possible The writing of this book has afforded him pleasure in his leisure moments and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general This section is interleaved with blank sheets for the readers notes The Author need hardly say that any suggestions addressed to the case of the publishers will meet with consideration in a future edition We do not pretend to write or enlarge upon a new subject Much has been said and written and well said and written too on the art of fishing but loch fishing has been rather looked upon as a second rate performance and to dispel this idea is one of the objects for which this present treatise has been written Far be it from us to say anything against fishing lawfully practised in any form but many pent up in our large towns will bear us out when we say that on the whole a days loch fishing is the most convenient One great matter is that the loch fisher is depend ent on nothing but enough wind to curl the water and on a large loch it is very seldom that a dead calm prevails all day and can make his arrangements for a day weeks beforehand whereas the stream fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river it is quite another matter to arrange for a days river fishing if one is looking forward to a holiday at a date some weeks ahead Providence may favour the expectant angler with a good day and the water in order but experience has taught most of us that the good days are in the minority and that as is the case with our rapid running streams such as many of our northern streams are the water is either too large or too small unless as previously remarked you live near at hand and can catch it at its best A common belief in

regard to loch fishing is that the tyro and the experienced angler have nearly the same chance in fishing the one from the stern and the other from the bow of the same boat Of all the absurd beliefs as to loch fishing this is one of the most absurd Try it Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy or even a cast similar to those which a crack may be using and if he catches one for every three the other has he may consider himself very lucky Of course there are lochs where the fish are not abundant and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught and where each has a fair chance Again it is said that the boatman has as much to do with catching trout in a loch as the angler Well we dont deny that In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream fishing
