Colonel Dick Thompson:

Colonel Dick Thompson Indiana Historical Bureau, 1948 **Colonel Dick Thompson** Charles Roll, 2013-10 This is a new release of the original 1948 edition **Justice for All** Michael J. Hightower, 2025-02-25 Justice for All chronicles the career of Dick T Morgan an Oklahoma founding father whose public service reflects a passion for fairness that was sorely lacking in Gilded Age America After arriving in the Unassigned Lands later central Oklahoma with the first wave of non Indian settlers on April 22 1889 Morgan developed a reputation as the go to lawyer for land disputes built a substantial real estate business and promoted church building across Oklahoma Territory During his tenure in Congress from 1909 until his death in 1920 he helped create institutions that were central to progressivism in the post frontier period and have shaped modern America including the Federal Reserve System the Federal Trade Commission and the Federal Farm Credit System Morgan s adeptness in working across the aisle in a perpetually divided Congress serves as a wake up call to politicians in thrall to ideology and identity politics at the expense of the public welfare His speeches publications correspondence newspaper interviews and congressional testimonies reveal him as a public servant whose bedrock principles were rooted in the Republican Party that is the party of Lincoln In both public and private life Morgan demonstrated a deep allegiance to what one of his role models President James A Garfield defined as the heart and soul of the nation and the basis of a free government the church the school and the home Justice for All owes its existence to Dick T Morgan s great grandsons David and Kenyon Morgan who resolved to rescue their ancestor from a century of undeserved obscurity Traveling literally and figuratively in their great grandfather s footsteps the Morgan brothers combined their talents in a journey of discovery that helped this biographer illuminate the Progressive Era through the experiences of a native Hoosier who became one of his adopted state s most beloved and influential citizens Also included is a 24 x 28 sectional map of Oklahoma Territory that Dick T Morgan sold to homesteaders to help them file their claims *Journalism of the Highest Realm* Edward Price Bell, 2007-11-01 Once considered the best American newspaperman London has ever had Edward Price Bell 1869 1943 helped invent the ideal of a professional foreign news service at the late and great Chicago Daily News which in its heyday had the second largest daily newspaper circulation in the United States At the turn of the twentieth century professional overseas reporting was still an experiment The Chicago Daily News s visionary owner and publisher Victor Lawson was not certain how to organize the service or even what kind of news it should cover Bell who had distinguished himself as a young reporter in Chicago became the anchor for the service when Lawson sent him to London in 1900 The course he set established the standard for the New York Times and other prestigious American newspapers Unfortunately few journalists or scholars are familiar with Bell s contributions in part because his autobiography remained archived at the Newberry Library in Chicago In *Journalism of the Highest Realm* Jaci Cole and John Maxwell Hamilton have edited and annotated Bell s story focusing on his lively account of the early days of the Chicago Daily News s foreign service as well as the dramatic

stories his correspondents covered James F Hoge Jr the last editor in chief of the Chicago Daily News and present editor of Foreign Affairs sets the stage for Bell s memoir with an informative foreword on the evolution of foreign news gathering over the last century A bright eyed midwestern teenager who learned journalism on the job at a small newspaper in Terre Haute Indiana Bell quickly established himself as an enterprising reporter Moving on to Chicago he became the Daily News s go to man He was assigned big stories and landed interviews with leading politicians a knack that became a trademark of his overseas reporting Over more than two decades in London Bell entrenched himself in politics and culture sending back thoughtful background and analysis of current events In his memoir Bell recounts his exclusive wartime interviews with Sir Edward Grey the British foreign secretary and Lord Richard Haldane the minister of war a later sit down with the charismatic Il Duce Benito Mussolini and his rather tense exchanges with former vice president Charles Dawes American ambassador to Britain The respect Bell commanded among British elites and his years of experience as a London insider thrust him into a diplomatic role Bell became an unofficial envoy to the British government and also a conduit for British views to the United States and its leaders After Bell returned to Chicago in the early 1920s the Daily News dispatched him on special missions to Europe and Asia to interview leaders about world peace His accounts were published in two books and earned him a nomination for the Nobel Peace Prize in the 1930s Despite this acclaim indeed to some extent because of it Bell fell out of favor when new owners acquired the newspaper in 1931 and he retired to the Mississippi Gulf Coast With Journalism of the Highest Realm Cole and Hamilton put this great newspaperman into a broader context As they show in their thoughtful introduction Bell and the Daily News continually grappled with problems that still bedevil overseas correspondence Foreign news they show has always been an enterprise that is at once valuable and vulnerable Indiana History Bulletin ,1927 **Debates of the Senate of the Dominion of Canada** Canada.
