**Vision: The Revised 1937 Edition** William Butler Yeats,2015-05-19 A new annotated edition of Yeats s indispensable lifelong work of philosophy a meditation on the connections between the imagination history and the metaphysical this volume reveals the poet s greatest thoughts on the occult First published in 1925 and then substantially revised by the author in 1937 A Vision is a unique work of literary modernism and revelatory guide to Yeats s own poetry and thinking

Indispensable to an understanding of the poet s late work and entrancing on its own merit the book presents the system of philosophy psychology history and the life of the soul that Yeats and his wife George received and created by means of mediumistic experiments from 1917 through the early 1920s Yeats obsessively revised the original book that he wrote in 1925 and the 1937 version is the definitive version of what Yeats wanted to say Now presented in a scholarly edition for the first time by Yeats scholars Margaret Mills Harper and Catherine E Paul the 1937 version of A Vision is an important essential literary resource and a must have for all serious readers of Yeats **The Power of Prints** Freyda Spira,Peter

Parshall,2016-01-24 Metropolitan Museum of Art curators William M Ivins and A Hyatt Mayor assembled one of the world s greatest collections of prints from Renaissance masterpieces to popular and ephemeral works Celebrating the power of prints not only as aesthetic objects but also as rich sociohistorical documents and peerless tools of communication Ivins and Mayor expanded our appreciation of prints as the most democratic art form functional cost effective works that disseminate information and bring pleasure to a wide audience Their populist approach collecting across the full spectrum of the medium from the exquisite to the everyday and writing about prints in accessible language delivered prints from the province of scholars and collectors to the general public and transformed notions of how art reaches the masses The first comprehensive exploration of the lives careers theories and influence of Ivins and Mayor this book also showcases more than 125

exceptional prints that represent the breadth and depth of their acquisitions including works by Mantegna D aut rer Callot Rembrandt Goya Whistler Toulouse Lautrec and Cassatt Included in this volume are biographical essays elucidating the two curators achievements and catalogue entries that quote Ivins s and Mayor s pithy remarks about the featured artworks The Power of Prints is a fitting tribute to the groundbreaking work of two scholars who revolutionized the study of a vast area of art history [American Book Prices Current](#) ,1895 A record of literary properties sold at auction in the United States
