Color Of Family:

The Color Family in the Kingdom of Art Christiane Krüger, 2025-10-21 THE COLOR FAMILY IN THE KINGDOM OF ART A fantasy novel for kids and adults Recommended for ages 8 and up With illustrations by the author Whether you read it yourself or read it to children be inspired receive impulses recognize and discover everything is possible In the Kingdom of Art and indeed throughout the entire world all colors had gradually and imperceptibly turned into a dreary grey over many years The King of Art was deeply worried about this state of affairs in his Kingdom As a just kind and wise king he always had the welfare of his people at heart The people had lost their memory of the colorful world and led a dreary and joyless life Discord and strife instead of cohesion love and peace were on the rise Was humanity doomed to destruction One might assume so had it not been for a miraculous encounter that would lead to incredible events
