Colorado A Summer Trip

Bayard Taylor

Colorado A Summer Trip:

Colorado Bayard Taylor, 1963 DISCOVERIES AMERICA THE ROCKY MOUNTAIN TO PIKES PEAK GARDEN OF THE GODS AND MORE Colorado Bayard Taylor, 2019-08-06 This is a reproduction of the original artefact Generally these books are created from careful scans of the original This allows us to preserve the book accurately and present it in the way the author intended Since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions We re happy to make these classics available again for future generations to enjoy **Colorado** Bayard Taylor, 2018-02-06 Excerpt from Colorado A Summer Trip In the United States railroads avoid the finest scenery the best agricultural regions This is especially the case in the West where settlement followed the rivers and the Old emigrant roads forming belts of tolerably thorough cultivation between which the country even in Indiana and Ohio is still comparatively rude It is only within a few years that railroads have begun to lead instead of follow settlement and the line may soon be drawn beyond which they will represent the most rapid growth and the best cultivation This re ection was suggested to me while observing the country opened to the traveller s view by the Pacific Rail road between St Louis and Jefferson City There are but three points which are at all picturesque the wooded and rocky banks of the sparkling Meramec and the mouths of the beautiful Gasconade and Osage Rivers and none which exhibit much more than the primitive stage of agriculture Yet the upland region a few miles south of the line of the road is I am told rich well farmed and lovely to look upon Even when one reaches the Missouri there is little in that ugliest of all rivers to divert one s attention A single picture of the swift tide of liquid yellow mud with its dull green wall of cotton wood trees beyond is equivalent to a panorama of the whole stream For the seventy or eighty miles during which we skirted it the turbid surface was unrelieved by a sail unbroken by the paddles of a single steamer Deserted monotonous hideous treacherous with its forever shifting sands and snags it almost seems to repel settlement even as it repels poetry and art I travelled as far as Jefferson City in worshipful society five handcuffed burglars three of whom had been Mor gan s guerrillas One of them in utter Opposition to all theories of physiognomy strongly resembled a noted re former As the other passengers in referring to incidents of the war always said Rebels instead of Confederates I inferred that their political condition was healthy Emigration is still rapidly pouring into the State and as a young man from one of the way stations said If we were only all Black Republicans we d soon have the first State in the West About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Colorado: a Summer Trip** Bayard Taylor, 1867 **The Parks and Mountains of**

Colorado Samuel Bowles,1991 Bowles wrote this account of among the great Central parks and Mountains series of letters home to the Springfield Mass Republican of which he was editor These letters were published in book form in 1869 here reissued with historical introduction notes and historical photographs all provided by editor James H Pickering Annotation copyrighted by Book News Inc Portland OR
