

An abstract drawing on a light-colored background. It features a dense, chaotic pattern of overlapping lines and strokes in three primary colors: purple, blue, and yellow. The lines vary in thickness and direction, creating a sense of movement and depth. Some areas show more concentrated color, while others are more sparse, revealing the background. The overall effect is one of vibrant, unstructured energy.

Coloring Outside the Lines

Lockie, Ellaraine,2002

Coloring Outside the Lines Christine Bowen,2016-08-22 Coloring Outside The Lines is a journey of self exploration An explorer seeks to uncover the wisdom that is hidden in a treasure chest of truth within the heart

Coloring outside the lines is not for the faint of heart So be an explorer Be more than a conqueror The purpose of this book is to encourage the reader to look at the world up close If we could strive to understand the pain suffering joy and sadness as they exist within the spectrum of good and evil then we have taken the first steps to the healing of mankind To color outside the lines we must shine in the possibilities that lay above the surface within the deep and in the life that exists all around us Those who color outside the lines gain clarity through a vision that grows into its potential They seek to understand all the things of life and the world they live in A master artist is one who colors their life with strokes of creativity veracity knowledge courage strength hope and most of all love Color outside the lines It s where masterpieces are created Your masterpiece will inspire the world because it is a representation of you and you are a beautiful soul
