All the Colors of Life Shirley J. Wenrich,2013-02-01 There have been many qualities obtained over the years including work and positions of leadership in several nonprofit organizations Also a deep interest in color and design ranging from the ownership in two art shops that bridged the gap between art gallery and a craft shop with quality and variety This led to set design for a local theater and interior design that I love However the greatest achievement besides raising four children was my participation in the Harmonic Convergence This took place in 1987 and the best place to be was the only sacred site east of the Mississippi at the Serpent Mounds in Ohio Since I needed an active part I was The Hug Lady and met people from all over the world Whatever we did it helped because the Berlin Wall came down within three years and it was the beginning of the end of Communism I enjoy anything I can do to help others
